§ 8860. Short title. This article shall be known and may be cited as the "interstate medical licensure compact".

§ 8861. Purpose. In order to strengthen access to health care, and in recognition of the advances in the delivery of health care, the member states of the interstate medical licensure compact have allied in common purpose to develop a comprehensive process that complements the existing licensing and regulatory authority of state medical boards, provides a streamlined process that allows physicians to become licensed in multiple states, thereby enhancing the portability of a medical license and ensuring the safety of patients. The compact creates another pathway for licensure and does not otherwise change a state's existing medical practice act. The compact also adopts the prevailing standard for licensure and affirms that the practice of medicine occurs where the patient is located at the time of the physician-patient encounter, and therefore, requires the physician to be under the jurisdiction of the state medical board where the patient is located. State medical boards that participate in the compact retain the jurisdiction to impose an adverse action against a license to practice medicine in that state issued to a physician through the procedures in the compact.

34 member board.

35 4. Upon receipt of any renewal fees collected in subdivision three of  
36 this section, a member board shall renew the physician's license.

37 5. Physician information collected by the interstate commission during  
38 the renewal process will be distributed to all member boards.

39 6. The interstate commission is authorized to develop rules to address  
40 renewal of licenses obtained through the compact.

14 4. Member boards may share any investigative, litigation, or compli-

20 § 8870. Disciplinary actions. 1. Any disciplinary action taken by any  
21 member board against a physician licensed through the compact shall be  
22 deemed unprofessional conduct which may be subject to discipline by  
23 other member boards, in addition to any violation of the medical prac-  
24 tice act or regulations in that state.

25 2. If a license granted to a physician by the member board in the  
26 state of principal license is revoked, surrendered or relinquished in  
27 lieu of discipline, or suspended, then all licenses issued to the physi-

29 action necessary by any member board, on the same status. If the member  
30 board in the state of principal license subsequently reinstates the  
31 physician's license, a license issued to the physician by any other  
32 member board shall remain encumbered until that respective member board  
33 takes action to reinstate the license in a manner consistent with the  
34 medical practice act of that state.

35 3. If disciplinary action is taken against a physician by a member  
36 board not in the state of principal license, any other member board may

39 cian so long as such sanctions are consistent with the medical practice  
40 act of that state; or

41 (b) pursue separate disciplinary action against the physician under  
42 its respective medical practice act, regardless of the action taken in  
43 other member states.

44 4. If a license granted to a physician by a member board is revoked,  
45 surrendered, or relinquished in lieu of discipline, or suspended, then  
46 any license or licenses issued to the physician by any other member  
47 board or boards shall be suspended, automatically and immediately with-  
48 out further action necessary by the other member board or boards, for  
49 ninety days upon entry of the order by the disciplining board, to permit  
50 the member board or boards to investigate the basis for the action under  
51 the medical practice act of that state. A member board may terminate the  
52 automatic suspension of the license it issued prior to the completion of  
53 the ninety day suspension period in a manner consistent with the medical  
54 practice act of that state.

1     § 8871. Interstate medical licensure compact commission. 1. The member  
2     states hereby create the "interstate medical licensure compact commis-  
3     sion".

4     2. The purpose of the interstate commission is the administration of  
5     the interstate medical licensure compact, which is a discretionary state  
6     function.

7     3. The interstate commission shall be a body corporate and joint agen-  
8     cy of the member states and shall have all the responsibilities, powers,  
9     and duties set forth in the compact, and such additional powers as may

12    compact.

13    4. The interstate commission shall consist of two voting represen-  
14    tatives appointed by each member state who shall serve as commissioners.  
15    In states where allopathic and osteopathic physicians are regulated by  
16    separate member boards, or if the licensing and disciplinary authority  
17    is split between multiple member boards within a member state, the  
18    member state shall appoint one representative from each member board. A  
19    commissioner shall be a or an:

20    (a) Allopathic or osteopathic physician appointed to a member board;

44    meeting would be likely to:

45    (a) Relate solely to the internal personnel practices and procedures

47    (b) Discuss matters specifically exempted from disclosure by federal  
48    statute;

50    is privileged or confidential;

51    (d) Involve accusing a person of a crime, or formally censuring a

54    constitute a clearly unwarranted invasion of personal privacy;

55    (f) Discuss investigative records compiled for law enforcement  
56    purposes; or

1 (g) Specifically relate to the participation in a civil action or  
2 other legal proceeding.

3 9. The interstate commission shall keep minutes which shall fully  
4 describe all matters discussed in a meeting and shall provide a full and  
5 accurate summary of actions taken, including record of any roll call  
6 votes.

7 10. The interstate commission shall make its information and official  
8 records, to the extent not otherwise designated in the compact or by its  
9 rules, available to the public for inspection.

10 11. The interstate commission shall establish an executive committee,  
11 which shall include officers, members, and others as determined by the  
12 bylaws. The executive committee shall have the power to act on behalf of

14 periods when the interstate commission is not in session. When acting on  
15 behalf of the interstate commission, the executive committee shall over-  
16 see the administration of the compact including enforcement and compli-  
17 ance with the provisions of the compact, its bylaws and rules, and other  
18 such duties as necessary.

19 12. The interstate commission may establish other committees for  
20 governance and administration of the compact.

22 commission shall have the duty and power to:

30 by the interstate commission, and the bylaws, using all necessary and  
31 proper means, including but not limited to the use of judicial process;

32 5. Establish and appoint committees including, but not limited to, an  
33 executive committee as required by section eighty-eight hundred seven-  
34 ty-one of this article, which shall have the power to act on behalf of  
35 the interstate commission in carrying out its powers and duties;

36 6. Pay, or provide for the payment of the expenses related to the  
37 establishment, organization, and ongoing activities of the interstate  
38 commission;

56 15. Establish a budget and make expenditures;

1 16. Adopt a seal and bylaws governing the management and operation of  
2 the interstate commission;

3 17. Report annually to the legislatures and governors of the member  
4 states concerning the activities of the interstate commission during the  
5 preceding year. Such reports shall also include reports of financial  
6 audits and any recommendations that may have been adopted by the inter-  
7 state commission;

8 18. Coordinate education, training, and public awareness regarding the  
9 compact, its implementation, and its operation;

10 19. Maintain records in accordance with the bylaws;

56 errors, or omissions occurring within such person's state, may not

1 exceed the limits of liability set forth under the constitution and laws  
2 of that state for state officials, employees, and agents. The interstate  
3 commission is considered to be an instrumentality of the states for the  
4 purposes of any such action. Nothing in this paragraph shall be  
5 construed to protect such person from suit or liability for damage,  
6 loss, injury, or liability caused by the intentional or willful and  
7 wanton misconduct of such person.

8 (b) The interstate commission shall defend the executive director, its  
9 employees, and subject to the approval of the attorney general or other  
10 appropriate legal counsel of the member state represented by an inter-  
11 state commission representative, shall defend such interstate commission  
12 representative in any civil action seeking to impose liability arising  
13 out of an actual or alleged act, error or omission that occurred within  
14 the scope of interstate commission employment, duties or responsibil-  
15 ities, or that the defendant had a reasonable basis for believing  
16 occurred within the scope of interstate commission employment, duties,  
17 or responsibilities, provided that the actual or alleged act, error, or  
18 omission did not result from intentional or willful and wanton miscon-  
19 duct on the part of such person.

20 (c) To the extent not covered by the state involved, member state, or  
21 the interstate commission, the representatives or employees of the  
22 interstate commission shall be held harmless in the amount of a settle-  
23 ment or judgment, including attorney's fees and costs, obtained against  
24 such persons arising out of an actual or alleged act, error, or omission  
25 that occurred within the scope of interstate commission employment,  
26 duties, or responsibilities, or that such persons had a reasonable basis  
27 for believing occurred within the scope of interstate commission employ-  
28 ment, duties, or responsibilities, provided that the actual or alleged  
29 act, error, or omission did not result from intentional or willful and  
30 wanton misconduct on the part of such persons.

31 § 8875. Rulemaking functions of the interstate commission. 1. The  
32 interstate commission shall promulgate reasonable rules in order to  
33 effectively and efficiently achieve the purposes of the compact.  
34 Notwithstanding the foregoing, in the event the interstate commission  
35 exercises its rulemaking authority in a manner that is beyond the scope  
36 of the purposes of the compact, or the powers granted hereunder, then  
37 such an action by the interstate commission shall be invalid and have no  
38 force or effect.

39 2. Rules deemed appropriate for the operations of the interstate  
40 commission shall be made pursuant to a rulemaking process that substan-  
41 tially conforms to the federal Model State Administrative Procedure Act  
42 of 2010, and subsequent amendments thereto.

43 3. Not later than thirty days after a rule is promulgated, any person  
44 may file a petition for judicial review of the rule in the United States  
45 District Court for the District of Columbia or the federal district  
46 where the interstate commission has its principal offices, provided that  
47 the filing of such a petition shall not stay or otherwise prevent the  
48 rule from becoming effective unless the court finds that the petitioner  
49 has a substantial likelihood of success. The court shall give deference  
50 to the actions of the interstate commission consistent with applicable  
51 law and shall not find the rule to be unlawful if the rule represents a  
52 reasonable exercise of the authority granted to the interstate commis-  
53 sion.

54 § 8876. Oversight of interstate compact. 1. The executive, legisla-  
55 tive, and judicial branches of state government in each member state  
56 shall enforce the compact and shall take all actions necessary and

1 appropriate to effectuate the compact's purposes and intent. The  
2 provisions of the compact and the rules promulgated hereunder shall have  
3 standing as statutory law but shall not override existing state authori-  
4 ty to regulate the practice of medicine.

5 2. All courts shall take judicial notice of the compact and the rules  
6 in any judicial or administrative proceeding in a member state pertain-  
7 ing to the subject matter of the compact which may affect the powers,  
8 responsibilities or actions of the interstate commission.

9 3. The interstate commission shall be entitled to receive all service  
10 of process in any such proceeding, and shall have standing to intervene  
11 in the proceeding for all purposes. Failure to provide service of proc-  
12 ess to the interstate commission shall render a judgment or order void  
13 as to the interstate commission, the compact, or promulgated rules.

14 § 8877. Enforcement of interstate compact. 1. The interstate commis-  
15 sion, in the reasonable exercise of its discretion, shall enforce the  
16 provisions and rules of the compact.

17 2. The interstate commission may, by majority vote of the commis-  
18 sioners, initiate legal action in the United States District Court for the  
19 District of Columbia, or, at the discretion of the interstate commis-  
20 sion, in the federal district where the interstate commission has its  
21 principal offices, to enforce compliance with the provisions of the  
22 compact, and its promulgated rules and bylaws, against a member state in  
23 default. The relief sought may include both injunctive relief and  
24 damages. In the event judicial enforcement is necessary, the prevailing  
25 party shall be awarded all costs of such litigation including reasonable  
26 attorney's fees.

27 3. The remedies herein shall not be the exclusive remedies of the  
28 interstate commission. The interstate commission may avail itself of  
29 any other remedies available under state law or the regulation of a  
30 profession.

31 § 8878. Default procedures. 1. The grounds for default include, but  
32 are not limited to, failure of a member state to perform such obli-  
33 gations or responsibilities imposed upon it by the compact, or the rules  
34 and bylaws of the interstate commission promulgated under the compact.

35 2. If the interstate commission determines that a member state has  
36 defaulted in the performance of its obligations or responsibilities  
37 under the compact, or the bylaws or promulgated rules, the interstate  
38 commission shall:

39 (a) Provide written notice to the defaulting state and other member  
40 states, of the nature of the default, the means of curing the default,  
41 and any action taken by the interstate commission. The interstate  
42 commission shall specify the conditions by which the defaulting state  
43 must cure its default; and

44 (b) Provide remedial training and specific technical assistance  
45 regarding the default.

46 3. If the defaulting state fails to cure the default, the defaulting  
47 state shall be terminated from the compact upon an affirmative vote of a  
48 majority of the commissioners and all rights, privileges, and benefits  
49 conferred by the compact shall terminate on the effective date of termi-  
50 nation. A cure of the default does not relieve the offending state of  
51 obligations or liabilities incurred during the period of the default.

52 4. Termination of membership in the compact shall be imposed only  
53 after all other means of securing compliance have been exhausted. Notice  
54 of intent to terminate shall be given by the interstate commission to  
55 the governor, the majority and minority leaders of the defaulting  
56 state's legislature, and each of the member states.

1 5. The interstate commission shall establish rules and procedures to  
2 address licenses and physicians that are materially impacted by the  
3 termination of a member state, or the withdrawal of a member state.

4 6. The member state which has been terminated is responsible for all  
5 dues, obligations, and liabilities incurred through the effective date  
6 of termination including obligations, the performance of which extends  
7 beyond the effective date of termination.

8 7. The interstate commission shall not bear any costs relating to any  
9 state that has been found to be in default or which has been terminated  
10 from the compact, unless otherwise mutually agreed upon in writing  
11 between the interstate commission and the defaulting state.

12 8. The defaulting state may appeal the action of the interstate  
13 commission by petitioning the United States District Court for the  
14 District of Columbia or the federal district where the interstate  
15 commission has its principal offices. The prevailing party shall be  
16 awarded all costs of such litigation including reasonable attorney's  
17 fees.

18 § 8879. Dispute resolution. 1. The interstate commission shall  
19 attempt, upon the request of a member state, to resolve disputes which  
20 are subject to the compact and which may arise among member states or  
21 member boards.

22 2. The interstate commission shall promulgate rules providing for both  
23 mediation and binding dispute resolution as appropriate.

24 § 8880. Member states, effective date and amendment. 1. Any state is  
25 eligible to become a member state of the compact.

26 2. The compact shall become effective and binding upon legislative  
27 enactment of the compact into law by no less than seven states. There-  
28 after, it shall become effective and binding on a state upon enactment  
29 of the compact into law by that state.

30 3. The governors of non-member states, or their designees, shall be  
31 invited to participate in the activities of the interstate commission on  
32 a non-voting basis prior to adoption of the compact by all states.

33 4. The interstate commission may propose amendments to the compact for  
34 enactment by the member states. No amendment shall become effective and  
35 binding upon the interstate commission and the member states unless and  
36 until it is enacted into law by unanimous consent of the member states.

37 § 8881. Withdrawal. 1. Once effective, the compact shall continue in  
38 force and remain binding upon each and every member state; provided that  
39 a member state may withdraw from the compact by specifically repealing  
40 the statute which enacted the compact into law.

41 2. Withdrawal from the compact shall be by the enactment of a statute  
42 repealing the same, but shall not take effect until one year after the  
43 effective date of such statute and until written notice of the with-  
44 drawal has been given by the withdrawing state to the governor of each  
45 other member state.

46 3. The withdrawing state shall immediately notify the chairperson of  
47 the interstate commission in writing upon the introduction of legis-  
48 lation repealing the compact in the withdrawing state.

49 4. The interstate commission shall notify the other member states of  
50 the withdrawing state's intent to withdraw within sixty days of its  
51 receipt of notice provided under subdivision three of this section.

52 5. The withdrawing state is responsible for all dues, obligations and  
53 liabilities incurred through the effective date of withdrawal, including  
54 obligations, the performance of which extend beyond the effective date  
55 of withdrawal.

1 6. Reinstatement following withdrawal of a member state shall occur  
2 upon the withdrawing state reenacting the compact or upon such later  
3 date as determined by the interstate commission.

4 7. The interstate commission is authorized to develop rules to address  
5 the impact of the withdrawal of a member state on licenses granted in  
6 other member states to physicians who designated the withdrawing member  
7 state as the state of principal license.

8 § 8882. Dissolution. 1. The compact shall dissolve effective upon the  
9 date of the withdrawal or default of the member state which reduces the  
10 membership in the compact to one member state.

11 2. Upon the dissolution of the compact, the compact becomes null and  
12 void and shall be of no further force or effect, and the business and  
13 affairs of the interstate commission shall be concluded and surplus  
14 funds shall be distributed in accordance with the bylaws.

15 § 8883. Severability and construction. 1. The provisions of the  
16 compact shall be severable, and if any phrase, clause, sentence, or  
17 provision is deemed unenforceable, the remaining provisions of the  
18 compact shall be enforceable.

19 2. The provisions of the compact shall be liberally construed to  
20 effectuate its purposes.

21 3. Nothing in the compact shall be construed to prohibit the applica-  
22 bility of other interstate compacts to which the states are members.

23 § 8884. Binding effect of compact and other laws. 1. Nothing contained  
24 in this article shall prevent the enforcement of any other law of a  
25 member state that is not inconsistent with the compact.

26 2. All laws in a member state in conflict with the compact are super-  
27 seded to the extent of the conflict.

28 3. All lawful actions of the interstate commission, including all  
29 rules and bylaws promulgated by the commission, are binding upon the  
30 member states.

31 4. All agreements between the interstate commission and the member  
32 states are binding in accordance with their terms.

33 5. In the event any provision of the compact exceeds the constitu-  
34 tional limits imposed on the legislature of any member state, such  
35 provision shall be ineffective to the extent of the conflict with the  
36 constitutional provision in question in that member state.

37 § 2. This act shall take effect immediately.
