

The Mystery of Signs in the Heavens

BEFORE THE BIBLE WAS WRITTEN IN THE FORM OF A BOOK, IT WAS WRITTEN IN THE STARS.

GOD PROGRAMMED IT IN ANCIENT HUMAN HEARTS TO LOOK UP TO THE HEAVENS AND RECOGNIZE THE PATTERNS IN THE HEAVENS AS PROPHETIC IMAGES, REVEALING HIS HEART AND HIS PLAN OF A MESSIAH REDEEMER.

GOD NAMED ALL THE STARS, AND TODAY THEY ALL HAVE ANCIENT HEBREW AND ARABIC NAMES.

- The name gives a lot of detail about the star.
- There are twelve major signs, and 36 Minor constellations which support those major signs.

EVERY MONTH THERE IS A NEW MAJOR SIGN, AND AT THE END OF THE MONTH, THE ENTIRE STORY HAS BEEN TOLD.

- It is progressive and begins with Virgo the virgin and ends with Leo the lion.
- The lion is the Lion of the Tribe of Judah, which is the end, as it is in the Book of Revelation.
- The story of the Bible and the stars are the same because the author of creation and the Bible are one in the same.

THESE SIGNS BELONG TO THE KINGDOM, AND THE REVELATION OF THEM BELONGS STRICTLY TO GOD'S PEOPLE.

- Jesus said in Luke chapter 21 that in the last days, there shall be signs in the sun, the moon and the stars.
- Genesis 1:14 says "and God said, let there be lights in the firmament of the heavens, to divide day from the night and for signs, seasons, days and for years.

A SIGN IS A PROPHETIC PICTURE.

- A sign is a miraculous event that has a prophetic message written within it.
- A sign is when you see this incredibly miraculous event—and because you have a prophetic eye—you begin to see what the message of the event is actually pointing you to.

BEFORE GOD'S WORD WAS WRITTEN IN THE BIBLE, IT WAS WRITTEN IN ALL OF CREATION (ROMANS 1:18-20).

IT IS WHAT THE GREEKS CALLED THE ZODIAC.

- Psalm 19:1-33— There is no place on earth where the glory of God is not revealed.
- The signs of the heavens tell the story of His redemption
- This prophetic story is played out for us visually, dramatically, and in fact, progressively, and can only be learned through dedication to the author Himself.

THREE KEYS TO LEARN HOW TO READ THE WRITTEN LANGUAGE WITHIN THE HEAVENS:

- It's prophetic
- It's visual
- It's rotational & always progressive

PROPHETIC

- You must be a seeker of God
- The pictures match the names of the stars in the constellations
- God named the stars and names are always a testimony (Isaiah 40:26).
- The stars are named so that if you see the picture, and know what the names of the stars are, you can begin to know what the story is.
- The numbers associated with the stars are also prophetic
- Even where they are placed in the heavens help to tell His amazing story.
- Prophetic pictures are very symbolic. Our brains naturally connect the dots.
- God caused us to see Prophetic patterns, rather than be confused by them like predators in the natural.
- Romans 1:20—the world is without excuse.
- The story is prophetically progressive
- There are 12 major constellations and one comes up every month.

THE 12 SIGNS

- In the Zodiac, they say that it begins with Aries and ends with Pisces, but that's not the way it was meant to be.
- Prophetic timelines are discovered prophetically. The story actually begins with the virgin—Virgo and goes all the way to the Lion of the tribe of Judah in Revelation, with Leo.

- The Sphinx is a testimony to preserve His word that the entire world knows about. It has the head of a woman, and the body of a lion.
