

CONDI EXPRESS®

Item # _____

Quantity _____

Stainless Steel With Laminate Top And Exterior

Two heights available.

Instantly creates a complete, mobile condiment station.

- Provides an attractive self-service condiment dispensing alternative that complements your take away service. Rolls to any location where you need it.
- Utilizes convenient pump dispensers. Self-leveling dispensers for disposable condiment cups are available. Dispensers are housed in recesses to hold them securely and neatly in place.
- Three quart dispenser containers recess into an internal ice bin for condiment cooling.
- Two serving heights are available - 36 1/2" and 31" to counter top. The wide counter provides a handy space for customer convenience.
- Sliding doors provide easy access to the interior storage space. Doors are located on the serving side for quick access when placed against a wall.
- Cart is sized for maneuvering into elevators, down corridors and into serving areas. Easy to maneuver with four tough-duty 5" casters - 2 swivel with brakes, two fixed.
- Stainless steel interior is easy to clean and sanitize.
- Solid laminate top is durable and easy to clean.
- Attractive Designer Series and solid color cabinet finishes are available. Standard color light gray countertop laminates coordinate with cabinet laminate finishes.

Specifications:

Unit shall be Lakeside model 703, or 706 Condi Express and shall have a stainless steel base cabinet with laminate exterior and stainless steel interior for ease of cleaning and sanitation. Top shall be two tier, and feature drop-in pump type condiment dispensers in a combination of 3 and 7 quart sizes and dispensers for disposable condiment cups. Dispensers shall be of durable plastic construction and shall be easily disassembled for convenient cleaning. Three-quart dispensers shall include an internal drop-in ice bin to cool condiment product. Interior cabinet shall include an additional stainless steel shelf in the base compartment for added storage surface. Cart shall have 4 each, 5" (127 mm) Lake-Glide® casters, 2 swivel with brakes and 2 fixed, heavy-duty, extra load.
