GENEVA PORTABLE BARS
WILSON COLLECTION

The perfect balance of functionality and design.

Shown with custom Beargrass Patina face plate

**GENEVA WILL TAILOR ANY
OF OUR PORTABLE BARS TO
SUIT YOUR PARTICULAR
NEEDS**

Industry meets elegance in Geneva's Wilson Collection. Recalling classic Mid-Century Modern, it has an edginess that says "now." Polished stainless steel is finessed and curved to provide contemporary appeal. Offset face plate finishing panels allow you to achieve a custom look.

Our models are handcrafted in the USA. Geneva's portable bars offer design flexibility; you can add options for the interior and exterior to tailor your establishment. We offer excellent leadtimes. We are the only ones that offer the option that converts the bar to furniture with a convertible speed rail.

- ❖ Numerous exterior and interior options available
- ❖ Tig and resistance welded
- ❖ Easy-to-clean fully stainless steel interior
- ❖ Full backsplash, all sealed to NSF standards
- ❖ TPR casters
- ❖ Channel base construction
- ❖ 50 lb. ice capacity with cover option
- ❖ One year warranty
