

DINET® CHINA

For an upscale room service look.

Application

The coup style plate with matching embossed rim on all three pieces provides the traytop with an upscale room service look. The simple pattern allows the china to coordinate beautifully with all traytop designs. The entrée plate is a compatible fit with the Dinex® insulated, induction and wax bases as well as the Dinex® insulated trays. Perfect for convection rethermalization systems, the entrée plate is compatible with the Dinex® Tropez high heat 9" dome.

Excellent for soups and entrees, Dinex® high heat, reusable china, plastic and disposables are specially designed for use in microwave ovens, the Perfect-Temp® system from Dinex®, and other thermalization systems.

Dinex® high heat disposables are offered in one and two compartmented side dishes, rectangular and 7-3/4" entrée as well as rectangular soup bowls. Available in ivory only. All disposables are made of FDA approved styrene or compatible plastic.

Dinex high heat reusable china and plastic dishware is available in many convenient sizes and shapes to fit virtually all thermalization systems.

Washing Instructions

Wash in commercial dish machine.

Item Numbers

- ☐ DX9CP02 - 9" China Entrée Plate
