

TRAY DELIVERY CARTS - ENCLOSED

Accommodates Perfect Temp Architectural Plastics Room Service Tray and Dinex Room Service Tray DX1089RS03

Application

The Value Line two door carts are designed for food tray delivery. The all stainless steel cart features fixed tray slides with 5-1/4" spacing. Two trays per slide.

Construction

General: The Dinex cart is fabricated with 1" square tubing frame with welded 18-gauge pre-formed side panels/trays slides. The top, bottom and single panel door are constructed of 18-gauge stainless steel. The doors come standard with a recessed door pull and features magnets and transport latch to keep the door closed. The doors have a 270 degree swing with magnets to keep the door in the opened position.

Casters: Dinex exclusive silent soft tread 4-5" diameter casters 2-fixed 2-swivel with brakes.
