

Display / Universal Racks

CHROME PLATED STEEL
CONSTRUCTION

Item No. _____

Quantity _____

Job Name _____

Spec No. _____

Applications: Multi-purpose racks for holding and storing a variety of trays, pans, tote boxes and lugs. Visually distinctive bright nickel chrome plated heavy finish makes these racks ideal for any retail environment.

Construction: UC and SU series shelves are all welded, plated steel construction with wire mesh bottom. Steel tube guard ring on shelves prevents product slipping. Vertical frames are heavy duty plated steel. Carts roll easily on all swivel casters. Ships knockdown. Easy assembly. **WDS** nests easily for storage and is fully assembled and ready for use

Casters: UC and SU series: full swivel design. Non-marking polyurethane 5" wheel.

Spacing: See tabulation.

Pan Accommodations: See tabulation.

Options:

Caster Brakes /011

Full Perimeter Bumper /PB

Corner Bumpers /024
