

# PRODUCT LICENSES

## Each license includes:

- All periodic or standard data changes/updates to the subscribed products.
- Twice-weekly EMarket Alert newsletters pertinent to the subscribed products.
- Historical Report Archives and one year of archived EMarket Alert newsletters.
- Analyst support to obtain additional information or clarification on the subscribed products that can reasonably be provided in a succinct timeframe.
- Online User Manual.

*Periodic Webinars are hosted that instruct users on how to attain the full benefits of the product information and data provided. Also available upon request.*

## SINGLE-USER LICENSE

### *Allows one identified user*

global online access to FI's Intelligence Center. The licensed user logs in via password to access the subscribed products and services on any computer, and single users may print reports for their own use. The login and online product information and data may not be shared with any other person or outside entity.

## GROUP LICENSE

### *Allows up to five identified users,*

employed by the same company, global online access to FI's Intelligence Center. Each licensed user logs in via password to access the subscribed information and data on any computer, and all users may print reports for their own use. The login and online product information and data may not be shared with any other person or outside entity. Discount prices will apply.

## OUR MOST COST EFFECTIVE SOLUTIONS

## FOR COMPANIES ORDERING GROUP LIBRARIES OR COMPLETE LIBRARIES VIA A CUSTOM WEB PORTAL

## SITE LICENSE

### *Allows 10 authorized, simultaneous users,*

employed by the same company, global access to a custom Web portal maintained by Forecast International. To authenticate this license agreement, the "Licensee" is required to provide up to 10 company IP addresses for the licensed site. Each authorized user is permitted to access the subscribed products and services on any computer, and all users may print reports for their own use but may not share the online product information and data with any other person or outside entity. Discount prices will apply. Multiyear licensing is available.

## GLOBAL LICENSE

### *Allows unlimited, non-specified simultaneous users,*

employed by the same company, global access to a custom Web portal maintained by Forecast International. Each user is permitted to access the subscribed information and data on any computer, and all users may print reports for their own use but may not share the online product information and data with any person who is not directly employed or affiliated with the Licensee. Discount prices will apply. Multiyear licensing is available.

*Contact the Sales Department at 203.426.0800, 800.451.4975 (U.S. & Canada)  
or [sales@forecast1.com](mailto:sales@forecast1.com) for a no-obligation, no-fee confidential discussion of your intelligence requirements.*
