

DOMAIN MOVE REQUEST

The provided form must be used if you are the Registrant (Owner) of a domain that is managed under another party's Rebel.com account, where you no longer have a way to contact the account holder in order to manage your domain.

By completing and returning the form, you are authorizing Rebel.com to move all management of your domain name to your newly created account.

INDIVIDUALS

If the account is registered to an individual, the provided form must:

1. Be printed
2. Be filled in as required
3. Include a photocopy displaying both sides of a signed government issued photo identification (such as a driver's license or passport)
4. Be scanned and emailed to service@rebel.com OR faxed to +1 613 706 1248

Please note that Rebel.com reserves the right to request that this Domain Move Request be notarized as proof of the individual's identity.

COMPANIES

If the account is registered by a company or an organization, this form must be:

1. Printed on the company/organization's official letterhead
2. Filled in as required
3. Signed by an authorized officer of the organization
4. Be scanned and emailed to service@rebel.com OR faxed to +1 613 706 1248

Questions about the use of the form may be directed to Rebel Customer Service at service@rebel.com or by phone at 1-866-497-3235.

DOMAIN MOVE REQUEST

ATTENTION: CUSTOMER SERVICE

Re: Domain Move Request

I hereby declare that I am the Registrant (Owner) of the domain name. I understand that Rebel.com will be moving the domain from its current account into the account I've specified on this form. I also understand that all future management of the domain will be my responsibility and that all future communications from Rebel.com regarding this domain will be sent to the primary email address on file for my specified account.

Please provide the domain you would like to have moved:

Domain Name

Please provide the Username for the account to which you would like the domain moved:
