## WELCOME TO HAWAII + CONNECTION 2016

*Glenn Burris Jr., President*

It is a joy to have Foursquare Connection 2016 in such a beautiful location and a place where our Foursquare heritage is rich. Pioneering missionary Martha May Leising came to Hawai'i in 1928 and helped establish a fruitful work here.

Our theme this year is "Empowered." Our theme verse states: "But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me ... to the end of the earth" (Acts 1:8, NKJV). The Holy Spirit is empowering His people and releasing them to fruitful ministry to:

- compassionately transform communities
- intentionally engage culture
- fearlessly embrace our future and
- boldly penetrate the darkness.

I pray that your convention experience will increase your understanding of the Lord's favor for our Foursquare family and His empowerment to help us reach the world for Christ!

Till all have heard,

Glenn Burris Jr.  
President, The Foursquare Church

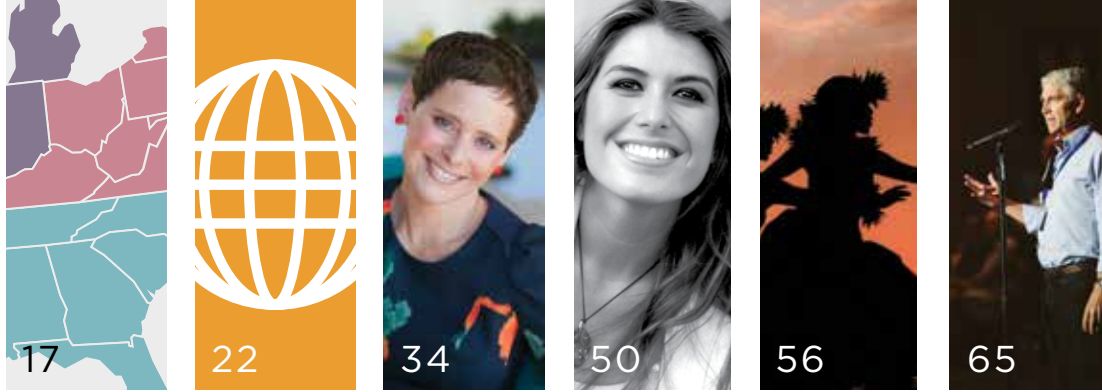

Es un gozo poder celebrar la Conexión Cuadrangular 2016 en un lugar tan hermoso como este y en donde la herencia Cuadrangular es rica. La misionera pionera Martha May Leising vino a Hawaii en 1928 y ayudó a establecer aquí una obra fructífera.

ES

Nuestro lema este año es "Empoderados". Nuestro verso lema declara: "Pero recibiréis poder, cuando haya venido sobre vosotros el Espíritu Santo, y me seréis testigos...hasta lo último de la tierra" (Hechos 1:8 RV1960).

El Espíritu Santo está empoderando a Su pueblo y lanzándolos al ministerio fructífero para que compasivamente transformen comunidades, intencionalmente interactúen con la cultura, valientemente abracen nuestro futuro y audazmente penetren la oscuridad.

¡Oro que su experiencia en la convención aumente su comprensión del favor del Señor para con nuestra familia Cuadrangular y de Su empoderamiento para ayudarnos a alcanzar el mundo para Cristo!

## ABOUT FOURSQUARE

### WHAT IS THE FOURSQUARE CHURCH?

The Foursquare Church is a global family of churches who believe that Jesus Christ is unchanging as our Savior, Healer, Baptizer With the Holy Spirit, and Soon-Coming King.

Since its inception, The Foursquare Church has been empowered to be a sending family. Today, with over 92,000 credentialed ministers serving in over 146 countries and territories, we celebrate all the ways God has worked through His people—and continues to do so—until all have heard.

With a diverse leadership body that releases women and men to pursue the work God has called them to, Foursquare is part of a dynamic global front that is pressing back the darkness and revealing the kingdom of God. We have been called and equipped for such a time as this!

As we gather in Hawai'i for Foursquare Connection 2016, we honor the tireless work of pastors, leaders and disciples to see peoples and cultures captivated and transformed by Christ.

### ¿QUÉ ES LA IGLESIA CUADRANGULAR?

La Iglesia Cuadrangular es una familia global de iglesias que cree que Jesucristo es inmutable como nuestro Salvador, Sanador, Bautizador con el Espíritu Santo y Rey Venidero.

Desde sus inicios, La Iglesia Cuadrangular ha sido empoderada para ser una familia enviada. Hoy, con más de 92,000 ministros con credenciales sirviendo en más de 146 naciones, celebramos todos las maneras en que Dios ha obrado por medio de Su pueblo—and continúa haciéndolo—hasta que todos hayan escuchado.

Con un cuerpo de liderazgo diversificado que envía a mujeres y hombres a seguir la obra a la cual Dios les ha llamado, la Cuadrangular forma parte de un dinámico frente global que está haciendo retroceder la oscuridad y revelando el reino de Dios. ¡Hemos sido llamados y equipados para un tiempo como éste!

Al reunirnos en Hawaii para la Conexión Cuadrangular 2016, honramos la obra infatigable de los pastores, líderes y discípulos para a ver a los pueblos y culturas alcanzados y transformados por Cristo.

# FIVE STAKES UPDATE

First introduced in 2014, The Foursquare Church has already made significant progress on the Five Stakes. Hear an update from President Glenn Burris Jr., re-familiarize yourself with the Stakes, and check in on where the future of Foursquare is heading.

## The Five Stakes

1

Align everything in Foursquare to the Great Commission

2

Align the National Church Office and district offices to a catalytic culture

3

Align 100 percent of the tithe to the local and district mission

4

Align Foursquare Foundation to resource and support the Foursquare mission

5

Align Foursquare polity to provide property options for local churches

## THAT NONE SHOULD PERISH

By Glenn Burris Jr., President

During devotions one morning, I was deeply moved while reading 2 Peter 3:9. Peter’s heart and passion are evident in his words to his “brethren” in northern Galatia: “The Lord is not slack concerning His promise, as some count slackness, but is longsuffering toward us, not willing that any should perish but that all should come to repentance” (NKJV).

The words that hit the target that morning, “not willing that any should perish,” brought fresh fire and further increased my strong resolve that our Foursquare global family is distinctly called as a movement to keep our vision—our reason for all that we do—firmly fixed on the Lord’s highest priority: the Great Commission. The ache of our Father’s heart for the lost must become the burning purpose in our lives, giving us reason to get out of bed every morning.

As you may recall, the Five Stakes were agreed upon as a body during our 2014 convention in Dallas. Subsequent to that, significant progress has been made through Reimagine 1.0 in the way our central office has started to streamline our national structure, releasing initiative to our local congregations as never before.

Stake 1—Align everything Foursquare to the Great Commission—will be the one Stake that will always remain. The actualization of all the other Stakes will come about as we adhere to this first and highest value. We’ll be giving updates about all of the Five Stakes at Foursquare Connection 2016 in Hawaii.

Our mission, “The Whole Church Taking the Whole Gospel to the Whole World,” is an urgent call. Reports show that 87 percent of missions funding goes to those who have already heard; 12 percent to those who have heard but not yet responded; and only 1 percent to the unreached!

I invite you to review these milestones of the Five Stakes with fresh vision and commitment. As we come together for Connection 2016 and consider the theme, “Empowered,” take that statement as a declaration of our new season of powerful partnership. The Foursquare Church is called by the Lord Himself to such a noble cause—that none should perish.

## Re-imagina a la Cuadrangular LAS NOTICIAS MAS RECIENTE ACERCA DE LAS CINCO ESTACAS

## FIVE STAKES PROGRESS

A progress report on Reimagine and more about what will be involved in Reimagine 2.0 will be presented during the business session at Foursquare Connection 2016 in Honolulu.

Here are highlights of what has happened since last year's convention in Anaheim:

**STAKE 1:** A national task force continues to evaluate Foursquare structures and systems to ensure they all have a "missional focus."

**STAKE 2:** Supervisors for the revised 11 districts have been appointed in line with the "catalytic leader" profile, which identifies ministry gifts and abilities, and details the values and behaviors required of the role.

Together with national leaders, the supervisors are meeting twice a year with a "one team, 11 districts" emphasis to pursue ways of furthering church multiplication, church transformation and leadership formation.

In 2012, the board of directors made a decision to fund church multiplication through new extension tithe dollars received from church plants and congregations. In 2015, \$724,097 was returned to church multiplication sponsoring entities to further their endeavors and enable them to continue multiplying, opening new churches and congregations.

Deployed in spring 2015, the Canvas learning management system has expanded to include all 11 districts, as well as Foursquare Missions International. There are currently over 800 users on the Foursquare Canvas platform, and it is now open to institutes and churches. Credentialed ministers can learn more at [foursquare.org/education](http://foursquare.org/education).

**STAKE 3:** The initial goal of returning 20 percent of the tithe to the field was achieved well ahead of schedule, with checks totaling \$5.8 million going out to churches last year. The National Church Office heard reports of local churches "being able to do things they were never able to do before, new initiatives, and being able to increase in scope the opportunities that they already have," says Adam Davidson, vice president and COO.

At The Bridge (Christiansburg Foursquare Church) in Christiansburg, Va., the money was used for missional engagement by sending members out to reach their

### Foursquare's Missional Objectives

- Leadership formation
- Church and congregation multiplication
- Church transformation

### Returning Money to the Field

In April and October 2015, Foursquare sent checks to tithing Foursquare churches, with a third round due in April 2016. At press time, Foursquare had distributed the following funds, which were to be used on missional objectives:

**April 2015: \$2,818,937**  
**October 2015: \$2,943,773**

community on Sundays at regular intervals, in lieu of having services. Others have been using their returned tithe money to kick start new church plants or congregations.

Much of this financial reallocation was made possible through ongoing streamlining within the central offices, which included selling non-strategic income-producing properties and reinvesting the proceeds for a higher rate of return, as well as further reduction of office space within the Rolf K. McPherson building, home of the Foursquare central offices in Los Angeles.

Other cost savings were realized through the closing of the processing center in Concord, N.C., with its duties being transferred to the central and district offices. New technology enhancements include the introduction of an

online administrative toolkit, [4sq.ca/toolkit](http://4sq.ca/toolkit), which includes practical resources, in Spanish and English, that are "extremely practical and pertinent to the day-to-day challenges faced by our local church leaders," notes Adam.

The Foursquare Church continues to look for new ways to reduce expenses and increase revenue with the goal of returning even more money to the field.

**STAKE 4:** Central to Reimagine's financial restructuring has been establishing Foursquare Foundation as what Glenn calls the movement's "financial engine," generating new sources of income to replace the money being returned

## PARA QUE NINGUNO PEREZCA

Por: Glenn Burris Jr., Presidente

Durante mi tiempo devocional una mañana, me sentí profundamente conmovido mientras leía 2 Pedro 3:9. El corazón y la pasión de Pedro son evidentes en sus palabras a sus "hermanos" del norte de Galacia: "El Señor no retarda su promesa, según algunos la tienen por tardanza, sino que es paciente para con nosotros, no queriendo que ninguno perezca, sino que todos procedan al arrepentimiento". (Reina Valera 1960)

Las palabras que dieron en el blanco esa mañana, "no queriendo que ninguno

perezca", trajeron un fuego fresco y aumentaron aún más mi firme determinación de que nuestra familia Cuadrangular global está llamada de manera particular como movimiento a mantener nuestra visión—nuestra razón para todo lo que hacemos—firmemente enfocada en la prioridad máxima del Señor: la Gran Comisión. El dolor del corazón de nuestro Padre por los perdidos debe convertirse en el propósito ardiente en nuestras vidas, dándonos una razón para levantarnos de la cama cada mañana.

Como ustedes recordarán, las Cinco Estacas fueron acordadas corporativamente durante nuestra convención del 2014 en Dallas.

Subsecuentemente, se ha hecho un progreso significativo a través de Re-imagina 1.0 en la forma en que nuestra oficina central ha comenzado a simplificar nuestra estructura nacional, pasando la iniciativa a nuestras congregaciones locales como nunca antes.

Estaca 1—Alinear todo en la Cuadrangular a la Gran Comisión—será la única Estaca que siempre permanecerá. La actualización de todas las otras Estacas se logrará a medida que nos adherimos a este primer y más alto valor. Estaremos dando las noticias más recientes sobre todas las Cinco Estacas en Hawaii durante la Conexión Cuadrangular 2016.

Nuestra misión, "Toda la iglesia llevando todo el evangelio a todo el mundo", es un llamado urgente. Los informes muestran que el 87 por ciento de los fondos destinados a misiones van a aquellos que ya han escuchado; 12 por ciento a los que han escuchado, pero aún no han respondido; y sólo el 1 por ciento a los no alcanzados!

Los invito a revisar estos hitos de las Cinco Estacas con una visión y compromiso frescos. Al reunirnos para la Conexión 2016 y considerar el lema, "Empoderados", tomemos esa afirmación como una declaración de nuestra nueva etapa de poderosa colaboración. La Iglesia Cuadrangular es llamada por el mismo Señor a tan noble causa—que ninguno se pierda.

to the field. This means that, in addition to their already missional foci of “accelerating worldwide, interdenominational evangelism,” Foursquare Foundation will endeavor to develop new sources of income while responsibly blessing the church and the world around us. We believe there are wells of provision and blessing that have yet to be tapped.

One innovative way Foursquare Foundation has begun to do that is through negotiating a pilot solar energy program for a Foursquare church in Hawaii that will slash its power bill,

thereby saving money and increasing the church’s income available for mission.

“Funding models are changing, giving patterns are changing, not just here in the U.S. but globally,” explains the Foundation’s Interim CEO Joe Wainer. “We really have to be on the cutting edge of what that means for us as a movement. If we believe God is our provider and that ‘we shall *not* want,’ then there are rivers of provision and blessing to be discovered. This is part of the beauty of God’s greatness.”

In addition to funding Foursquare Education, a Global Cities strategy and providing Foursquare Senior Living subsidies, Foursquare Foundation

is strategically helping the global church through the leadership of the Foursquare Global Council (comprising the regional chairs of each of our 15 regions).

Three target initiatives guide the Global Council’s mission:

- 1 our shared mission
- 2 training and education
- 3 governance.

A commitment has been made to help fund fruitfulness in all of these vital areas. The partnership with the Foursquare Global Council is an expression of Foursquare Foundation’s missional focus—to effectively catalyze

kingdom advancement through the Foursquare church, in the U.S. and globally.

**STAKE 5:** Finding the best way to provide the option for local churches to lease or own their own property has been a prime example of the need to adjust on the Reimagine trail.

After it became clear that the original idea of allowing local churches to form their own LLCs was not workable, last year’s Foursquare Connection approved following a different route, which would involve

## EL PROGRESO DE LAS CINCO ESTACAS

Un informe del progreso de Re-imagina y más acerca de lo que estará involucrado en Re-imagina 2.0 será presentado durante la sesión de negocios en la Conexión Cuadrangular 2016 en Honolulu.

Éstos son los aspectos destacados de lo que ha ocurrido desde la convención del año pasado en Anaheim:

**ESTACA 1:** Un equipo de trabajo nacional continúa evaluando las estructuras y sistemas Cuadrangulares para asegurar que todo tenga un “enfoque misional”.

**ESTACA 2:** Han sido nombrados supervisores para los 11 distritos, de acuerdo con el perfil del “líder catalítico”, que identifica dones y habilidades ministeriales, y detalla los valores y comportamientos requeridos para dicho rol.

Junto con los líderes nacionales, los supervisores se reúnen dos veces al año con un énfasis de “un equipo, 11 distritos” para adoptar medidas que fomenten la multiplicación de iglesias, la transformación de la iglesia y la formación del liderazgo.

En el 2012, la Junta de Directores tomó la decisión de financiar la multiplicación de iglesias

a través de los dólares del diezmo de diezmos recibidos de congregaciones y plantaciones de iglesias. En el 2015, \$724,097 fueron devueltos a entidades patrocinadoras de la multiplicación de iglesias para promover aun más sus iniciativas y permitirles continuar multiplicando y abriendo nuevas iglesias y congregaciones.

Implementado en la primavera del 2015, Canvas se ha extendido para incluir a todos los 11 distritos, así como a Foursquare Missions International. Actualmente hay más de 800 usuarios en la plataforma Cuadrangular Canvas y ahora está abierta a institutos e iglesias. Los ministros con credenciales pueden obtener más información en [foursquare.org/education](http://foursquare.org/education).

**ESTACA 3:** La meta inicial de regresar el 20 por ciento del diezmo al campo se alcanzó antes de lo previsto, con cheques por un total de \$5.8 millones que fueron enviados a las iglesias el año pasado. La Oficina de la Iglesia Nacional escuchó los informes de las iglesias locales “habiéndolo podido hacer cosas que nunca habían podido hacer antes, nuevas iniciativas, y la posibilidad de aumentar el alcance de las oportunidades que ya tienen”, dice Adam Davidson, Vicepresidente y Director de Operaciones.

En The Bridge (Christiansburg Foursquare Church) en Christiansburg, Virginia, el dinero se utilizó para el compromiso misional mediante el envío de sus miembros a la comunidad los domingos en intervalos regulares, en

## Objetivos Misionales de la Cuadrangular

- Formación del liderazgo
- Multiplicación de iglesias y congregaciones
- Transformación de la Iglesia

lugar de tener servicios. Otras iglesias, como Grace Capital (Pembroke Foursquare Church) en Pembroke, New Hampshire, han estado utilizando el dinero del diezmo regresado para comenzar nuevos campus, incluyendo su más reciente en las cercanías de Pittsfield.

Gran parte de esta reasignación financiera fue posible gracias a la reestructuración en curso de las oficinas centrales, que incluyó la venta de propiedades que no eran estratégicamente generadoras de ingresos y la reinversión de las ganancias para obtener una mayor tasa de retorno, así como una reducción adicional de espacio en las oficinas del edificio Rolf K. McPherson, sede de las oficinas centrales de la Iglesia Cuadrangular en Los Ángeles.

Otros ahorros se realizaron a través del cierre del centro de procesamiento en Concord, Carolina del Norte, siendo transferidas sus funciones a la oficina central y a las oficinas de los distritos.

## Devolviendo Dinero al Campo

En abril y octubre del 2015, la Cuadrangular envió cheques a las iglesias Cuadrangulares que diezman, con una tercera ronda prevista para abril del 2016. Al cierre de esta edición, la Cuadrangular habrá distribuido los siguientes fondos para ser utilizados en objetivos misionales.

**Abril del 2015: \$2.818.937 | Octubre del 2015: \$2.943.773**

Las nuevas mejoras tecnológicas incluyen la introducción de un kit de herramientas administrativas en línea [4sq.ca/toolkit](http://4sq.ca/toolkit), con recursos prácticos, en español e inglés, y que son “extremadamente prácticos y pertinentes a los retos del día a día que enfrentan nuestros líderes de iglesias locales”, señala Adam.

La Iglesia Cuadrangular continúa buscando nuevas formas de reducir los gastos y aumentar los ingresos con el objetivo de devolver aún más dinero al campo.

**ESTACA 4:** El establecimiento de la Fundación Cuadrangular (Foursquare Foundation) como lo que Glenn llama el “motor económico” del movimiento ha sido vital para la reestructuración financiera de Re-imagina, generando nuevas fuentes de ingresos para reemplazar el dinero que se ha devuelto al campo. Esto significa que, además de su enfoque ya misional de “acelerar el evangelismo mundial e interdenominacional”,

Continued from page 13

congregations forming their own tax-exempt corporations.

Since then, Foursquare's Bylaw Committee has been working on a comprehensive revision of the church bylaws that would permit such a move, and drafting a unique covenant agreement each local congregation choosing this option would need to sign with the national church. Both are due to be presented to this year's convention. ✕

## Missional Objectives in Action

One church is closing its doors on some Sunday mornings to reach out to its community. Another is giving food and high fives to local school employees, while a third is helping fund new campuses. These are just some of the ways in which Foursquare churches are spending their missional objective money, released as part of the Reimagine process. Read their stories and more at [4sq.ca/missional2016](http://4sq.ca/missional2016).

la Fundación Cuadrangular tratará de desarrollar nuevas fuentes de ingresos, mientras que responsablemente bendice a la iglesia y al mundo que nos rodea. Creemos que hay fuentes de provisión y bendición que aún no se han explotado.

Una forma innovadora en que la Fundación Cuadrangular ha comenzado a hacer esto es a través de la negociación de un programa piloto de energía solar para una iglesia Cuadrangular en Hawaii que reducirá su pago de energía, y de esta manera ahorrar dinero y aumentar los ingresos de la iglesia disponibles para la misión.

“Los modelos de financiación están cambiando, los patrones de ofrendas están cambiando, no sólo aquí en los Estados Unidos sino en todo el mundo”, explica el Director General Interino de la Fundación Joe Wainer. “Realmente tenemos que estar a la vanguardia en lo que esto significa para nosotros como movimiento. Si creemos que Dios es nuestro proveedor y que “*nada* nos faltará”, entonces hay ríos de provisión y bendición por ser descubiertos. Esto es parte de la belleza de la grandeza de Dios”.

Además de financiar la Educación Cuadrangular, la estrategia global de ciudades y proporcionar subsidios de vivienda para los ministros jubilados de la Cuadrangular, la Fundación Cuadrangular está ayudando estratégicamente a la iglesia global a través del liderazgo del Concilio Global Cuadrangular (que comprende a los presidentes regionales de cada una de nuestras 15 regiones). ✕

Tres iniciativas de enfoque guían nuestra misión:

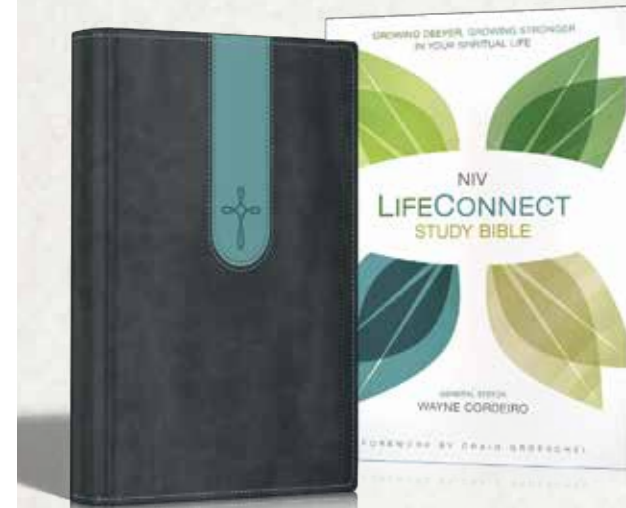

- 1 nuestra misión compartida
- 2 entrenamiento y educación
- 3 gobernabilidad.

Se ha hecho un compromiso para ayudar a financiar el fruto en todas estas áreas vitales. La asociación con el Concilio Global Cuadrangular es una expresión del enfoque misional de la Fundación Cuadrangular—para catalizar de manera efectiva el avance del reino a través de La Iglesia Cuadrangular en los Estados Unidos y en el mundo.

**ESTACA 5:** Encontrar la mejor manera de proporcionar opciones para que las iglesias locales arrienden o sean dueños de su propiedad ha sido un buen ejemplo de la necesidad de ajustar la trayectoria de Re-imagina.

Después de que fue evidente que la idea original de permitir que las iglesias locales formaran sus propias sociedades de responsabilidad limitada no era viable, en la Conexión Cuadrangular del año pasado se aprobó seguir una ruta diferente, que implicaría que las congregaciones formaran sus propias corporaciones exentas de impuestos.

Desde entonces, el comité de estatutos de la Cuadrangular ha estado trabajando en una revisión exhaustiva de los estatutos de la iglesia que permitan tal movimiento, y en la redacción de un singular acuerdo de pacto que cada congregación local que escogiese esta opción tendría que firmar con la iglesia nacional. Ambos se presentarán en la convención de este año. ✕

## HAWAII AND SOUTHWEST DISTRICTS CONVERGE

In October 2015, Southwest District Supervisor Kimberly Dirmann announced that the Lord was calling her back to the local church and she would be stepping down from her role as supervisor at the conclusion of Foursquare Connection 2016. In March 2016, the Foursquare board of directors determined that the Hawaii District with the Southwest District would converge. Current Hawaii District Supervisor Fernando Castillo was appointed to serve over the new district, effective June 1, 2016.

## MEET YOUR 2016 BOARD OF DIRECTORS

The current Foursquare board of directors comprises the president, general supervisor, director of missions, corporate secretary, chief financial officer, 12 selected directors (one from each district), and eight appointed directors. Most of the nonofficer directors are senior pastors. The board also has three nonvoting board-appointed participants: the president of Life Pacific College, the chief operating officer of ICFG, and the chief operating officer of Foursquare Financial Solutions.

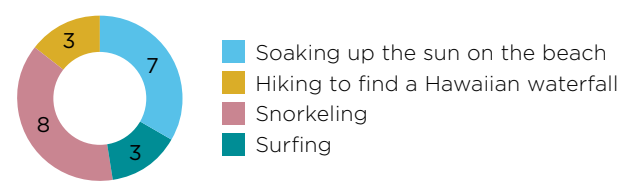

The board of directors meets face to face four or five times each year, and has a conference call each month. They are responsible for the management of the corporation and the missional effectiveness of the Foursquare movement. The board assigns committees to assist in the process of making informed decisions; there are currently 15 committees. An executive committee of the board meets weekly to handle the delegated business matters that are within policy.

# FOURSQUARE AROUND THE WORLD

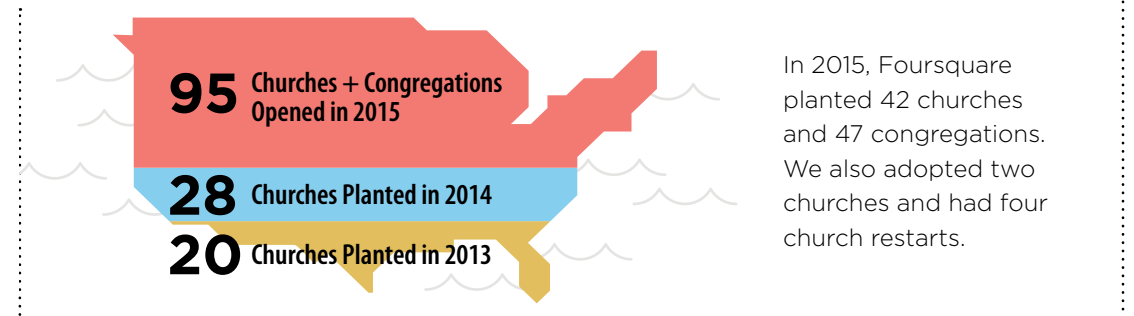

This year, we celebrate moving mountains as a movement. Globally, we've planted churches, sent missionaries and credentialed ministers .... and seen millions come to Jesus and be baptized. *Can I get an amen?*

It's clear that Jesus Christ, who is the same yesterday, today and forever, is still working through The Foursquare Church around the world. And that's something to celebrate.

# GLENN BURRIS JR.

*President, The Foursquare Church*

 @GlennBurrisJr

Glenn Burris Jr. has been leading The U.S. Foursquare Church through the Reimagine Foursquare process, developing the Five Stakes and bringing about healthy changes in Foursquare. Glenn also co-chairs the Foursquare Global Council, and is committed to building relationships around the world. They are the proud parents of two adult children, and four grandchildren.

Glenn Burris Jr. sirve como presidente de La Iglesia Cuadrangular y como co-director del Concilio Global Cuadrangular. Su dedicación a construir relaciones alrededor del mundo es uno de sus valores más importantes. Glenn ha influido sobre un incontable número de líderes quienes han sido identificados, equipados y lanzados a ministerios fructíferos. Glenn celebra el éxito de otros como claras victorias para la gloria de Dios. Glenn y su esposa, Debbie, están casados desde 1975. Son los orgullosos padres de dos hijos adultos y abuelos de cuatro nietos.

## Q & A

### What are you looking forward to at Foursquare Connection 2016?

I love the 'Ohana spirit of our Hawai'i pastors, and I look forward to connecting with them and catching the wave of the remarkable things God has been doing on the islands. Our family dynamic in Foursquare is a core distinctive of our movement, and this is truly displayed through our Hawai'ian pastors and leaders.

### What is the most exciting thing to you about our theme, "Empowered"?

The entrance of the Holy Spirit birthed a fresh explosion of kingdom opportunity. Ministry has always been designed to be distributed through common people, empowered by the Holy Spirit. The whole church became God's redemptive delivery system. As we release people to God's intended purposes and plans, we will see the good news of the gospel reach its intended target—the whole world!

### What is one thing God has been teaching you recently?

I've been overwhelmed by the concept of liberating the captive. In Luke 4:18, Jesus described His ministry as a capstone for the church. Anytime that liberators moved out in courage, history was reshaped. We are carrying the seed of liberation when we know and follow Christ.

# FERNANDO CASTILLO

## District Supervisor

 @C4\_Fernando

 /c4fernando

Fernando Castillo, a native son of Bogotá, Colombia, has served as supervisor of the Hawaii District since 2013. He was most recently asked to lead the newly converged Hawaii and Southwest Districts, an appointment that begins June 1, 2016. Fernando and a team of likeminded leaders launched C4 Christ Centered Community Church (Diamond Head Foursquare Church) in Honolulu, a multi-campus church that reaches over 1,200 people a week. He is married to Karen, the daughter of Foursquare missionaries to Colombia. Fernando and Karen have two sons, with a third due to arrive in September.

## Q & A

### What is one thing God has been teaching you recently?

During this season, I've been learning about the importance of God's calling in our lives. Ministry is more than a vocation. It's neither a career nor a job. Ministry is deeply rooted in the moment God called us to serve Him. God's calling gives us a clear sense of direction, it takes us back to purpose when we lose heart, and it will guarantee the supply of grace necessary to

move forward. It's comforting to know that, above all things, God has called me to serve Him and His people.

### What has God empowered you to do?

By God's grace, I've been empowered to equip and release people according to God's call in their lives. As a result, new churches have been planted, young people have found purpose and significance,

men and women have become ministers in their areas of influence, and other pastors and churches are partnering to do together what they couldn't do by themselves.

### What's something impactful you've heard at a recent Foursquare Connection event?

We are not called to build castles. We are called to build the kingdom.

Fernando Castillo es nativo de Bogotá, Colombia, y ha servido como supervisor del Hawaii District desde el 2013. Se le ha pedido a Fernando que dirija los distritos recientemente unidos de Hawaii y Southwest, nombramiento que inicia el 1 de junio de 2016. Fernando y un equipo de líderes con ideas afines lanzaron C4 Christ Centered Community Church (Diamond Head Foursquare Church) en Honolulu, una iglesia multicampus alcanzando más de 1,200 personas por semana. Está casado con Karen Larson, hija de misioneros Cuadrangulares a Colombia. Fernando y Karen tienen dos hijos con un tercero en camino que nacerá en septiembre.

## Q & A

### How has God empowered you?

I've been empowered to live life loved, free and fearless. I'm learning how to embrace that reality and help others walk in it as a part of the local church. And I've been utterly empowered to walk in God's joy. I have discovered facets of joy that no one ever taught me—more than whimsy, joy is a weapon we can use to fight life's battles.

### What are you looking forward to at Foursquare Connection 2016?

To sense God's presence, to hear His voice, to experience the Scripture come alive—those are the moments I long for and expect as we gather in Hawai'i. I'm looking forward to connecting with old friends and making new ones among the Foursquare family.

### What are some things you want people to know about you?

At Starbucks I love a venti nonfat, no foam latte. I believe some of the best days are spent in jammies, laughing and being silly. I love coloring books, which aren't just for kids anymore. I authored two coloring books especially for adults: *Live Loved* and *Live Free*.

## Q & A

### What has God empowered you to do?

Honestly, because of my testimony and background, I feel God has graced me to inspire people. But not just to inspire them, but to help people see and then reach for their God-given potential. I think our Church's story is inspiring in and of itself. We were once a small church but grew incrementally over a

span of eight years and then God brought the increase because of His faithfulness in response to our faithfulness.

### What are you looking forward to about Connection 2016 this year?

I can't wait to connect with Foursquare family, and I am anticipating hearing the Holy Spirit speak to me as we spend time together.

### What's something funny you'd like to share with your Foursquare family?

I worked for an airline, and early one morning, a mishap occurred—the waste from the entire plane dumped directly on my head for about 10 seconds before I could shut it off. Fellow airline employees started calling me Papa Smurf because the chemical dye was blue back then.

## Q & A

**What is one specific thing you have learned from or heard from God at a recent Foursquare Connection event?**

Be an influencer for the kingdom, especially in the Foursquare family.

**How has God empowered you?**

Relationships have always been very important to me, especially between generations. I see God’s work in my life empowering me

to be a person who connects the generations by building relationships with people.

**What’s something fun people should know about you before you hit the stage?**

Heidi and I have been together since I was 12 years old. We met at Heidi’s intermediate school dance, where she almost punched me for mistaking me for the wrong person. She apologized and asked me to

dance. We’ve been together for 31 years, been married for 24 years, and have two adult children and three grandchildren.

**What are you looking forward to about Foursquare Connection 2016?**

I am looking forward to connecting with everyone, worshipping the Lord together, to learning, and to hosting our Foursquare family with the love of Christ and with the spirit of Aloha!

# RANDY REMINGTON

Senior Pastor, Beaverton Foursquare Church, Beaverton, Ore.

@RandyRemington

/randyremington

Randy Remington is senior pastor of Beaverton Foursquare Church, a vibrant, multi-ethnic, multi-generational and socio-economically diverse congregation in Beaverton, Ore. The church is defined by the phrase “family on mission.” Randy currently serves on the Presidential Task Force, Missions Committee and District Advisory Council of the North Pacific District. Randy and his wife, Sandy, have been married for 27 years and have three sons.

## Q & A

### What are you looking forward to at Foursquare Connection 2016?

I'm looking forward to times of renewal through refreshing worship, hearing God speak through His Word, and encouraging fellowship that happens during the many personal interactions at our annual family reunion. And, of course, the fact that it's taking place in the unlimited sunshine and beauty of Hawai'i

has nothing to do with my anticipation and expectation! Seriously, it could be in North Dakota, and I would still attend.

### What has God empowered you to do?

God has empowered me to serve as a pastor in His church, primarily in the Pacific Northwest. In particular, I have been given the privilege to lead two long-established and fruitful

churches into new seasons of mission and fruitfulness.

### What is one fun fact you would like Connection attendees to know about you before you hit the stage?

I can fall asleep in 30 seconds. Sometimes I yell in my sleep, sort of like a primal scream. My wife, as you might expect, has trouble sleeping.

Randy Remington es el pastor principal de Beaverton Foursquare Church, una congregación vibrante, multiétnica, multigeneracional y socio-económicamente diversa en Beaverton, Oregon. La iglesia es definida por la frase “familia en la misión”. Randy actualmente sirve en el equipo de trabajo presidencial, en el comité de misiones y en la junta consultora de distrito del North Pacific District. Randy y su esposa, Sandy, han estado casados por 27 años y tienen tres hijos, con edades de 22, 20 y 17.

## TRAINING SESSIONS

LOCATION: LEVEL THREE, HAWAI'I CONVENTION CENTER

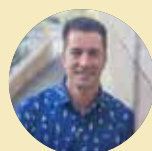

**DANIEL A. BROWN, PH.D.**  
Church Planter and Author

TOPIC: Introducing Holy Spirit Dynamics in Today's Congregations

DESCRIPTION: Because 'spirituals' are often either *overstated* or *overlooked*, it's difficult to introduce people to gifts of the Spirit as powerful-but-familiar ministry tools. Come hear thoughts for how to proceed sanely in an era when *exaggeration* and *ignorance* conspire against spiritual enablements in congregations.

WHO SHOULD ATTEND: Leaders who want church members to understand the purpose and use of spiritual gifts in ministry

**MIKE KAI**  
Senior Pastor, Inspire Church (Waipahu Foursquare Church) in Waipahu, Hawaii

TOPIC: Empowered Environments

DESCRIPTION: Come ready to assess whether your church environment catapults leaders to their full potential or caps it off, and find practical steps for handling both situations. Learn the best ways to empower leaders around you, and how to avoid both the pitfalls of leaders who might feel entitled, and the plateaus of those who may be lax. Discover the rewards of empowerment—for leaders as well as those being led.

WHO SHOULD ATTEND: Senior pastors, key team leaders, executive pastors

**KEITH JENKINS**  
Lead Pastor, New Life LA (West Adams Foursquare Church) in Los Angeles

TOPIC: Transforming Community Through Partnerships

DESCRIPTION: Community transformation is too large of a task for any one organization—a church, a non-profit or a city agency—serving in a city. However, by leveraging the power of partnerships, the most seemingly insurmountable obstacles within any community can be removed, and community members can begin to flourish.

WHO SHOULD ATTEND: Ministry leaders, lay leaders and volunteers who work to see the gospel expressed in practical ways to meet the needs of those they serve in their communities

**JON TYSON**  
Founding Pastor, Trinity Grace Church in New York City

TOPIC: A Creative Minority

DESCRIPTION: Wondering how to engage post-Christian culture in a compelling way? Come hear from Jon Tyson, who has successfully planted many neighborhood churches and evangelized communities throughout New York City in the past 10 years. You will walk away with practical steps on how to engage your community and influence culture.

WHO SHOULD ATTEND: People wondering how to influence culture without fear or coercion in post-Christian settings

**JON COBLER**  
Lead Pastor, The Church of Living Water (Olympia Foursquare Church) in Olympia, Wash.

TOPIC: The Church and Human Sexuality

DESCRIPTION: The radical shifts in culture surrounding sexual orientation and gender identity have left many leaders in the church wondering how to respond. Many are wrestling to find a basic framework to have a meaningful conversation. Are people born gay? Does sexual orientation change over time? Are there only six verses in Scripture that address homosexuality? Should a same-sex attracted person be allowed to serve in children's ministry? Is there such a thing as a gay Christian? These are just some of the questions that need to be answered.

WHO SHOULD ATTEND: Those who desire a helpful paradigm for processing questions like these with insight from a handful of leaders who are engaged in these issues within the local church

# WANT A SAY? BE HERE!

Foursquare is a family, and every family has to make decisions together. As we continue through the Reimagine Foursquare process, there are questions to be asked, information to be considered and prayerful determinations to be reached. From missions to mortgages, spreadsheets to soul care, the convention floor is the place where Spirit-led strategy is agreed upon for the continuation and success of the mission of the church—reaching all nations with the Good News of Jesus Christ.

Our movement gives the highest human authority to the convention body. So if you are at Foursquare Connection 2016, and you are either a credentialed minister or a voting delegate for your local church, you have a part to play in the decisions that shape our future. God gave you to this church, and your voice matters. Let your voice be heard, and let us find unity with the Holy Spirit so that we can say, “It seemed good to us and to Him.”

## IMPORTANT INFORMATION

### BADGE

You must wear your Connection 2016 badge when gathered for the business sessions.

### DELEGATES

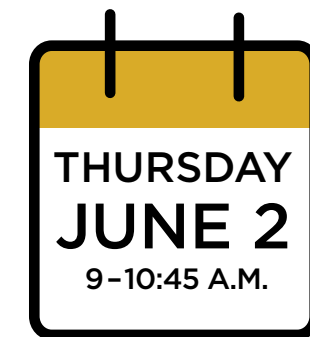

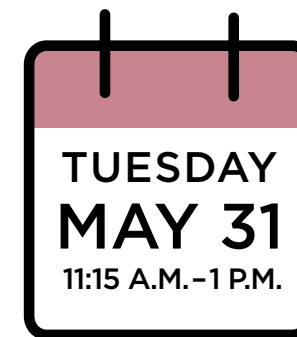

While all convention delegates are welcome at the business sessions, only licensed ministers and authorized voting delegates (people pre-authorized by the church council of a local church to represent the local church body) can participate in business sessions.

### PRAY!

The term “business session” might give you the cold sweats, but it genuinely is a place of intense prayer and discernment. Pray before the sessions for wisdom, pray during them for discernment, and pray afterward for unity after we have voted and as we move forward together.

## BUSINESS SESSIONS SCHEDULE

## NEGOCIOS DE LA FAMILIA

ES

Somos una familia y la familia hace planes juntos. Cada año en la convención, nos reunimos para buscar al Señor y sus estrategias y planes, y para votar juntos sobre estos asuntos. Las sesiones de negocios es donde usted necesita estar si quiere que su voz sea escuchada y su voto sea contado mientras hacemos preparativos para la siguiente parte de la misión. Si usted es un ministro con credenciales o un delegado autorizado para votar, únase a nosotros para las sesiones de este miércoles y jueves, mientras buscamos juntos la voluntad del Señor y el camino para nuestra familia Cuadrangular.
