

**Seattle, Wash.** When Banner Seattle (Seattle City Foursquare church) launched in Sept. 2024, they welcomed more than **400** adults and kids to their launch service! But the intentionality by Pastor Ryan Kim and his team toward intercessory prayer for the church and the city of Seattle, their missional rhythms to engage their neighbors, and their emphasis on relational discipleship have all been the foundations upon which this exciting new expression of the Kingdom has emerged!

As of Dec. 2024, there were **145** church plants in Foursquare Multiply, from Hawaii to Tennessee. [Meet the new church planters.](#)
