

NEXTGEN @

FOURSQUARE CONNECTION

EXPERIENCE

While adults are being refreshed and equipped, NextGen offers a parallel experience just for kids and youth (nursery to 12th grade), a space where they can encounter Jesus in a way that's real, personal, and fun. It's much more than childcare; it's a retreat crafted specifically for pastors' and leaders' kids. Each session includes age-appropriate worship, engaging Bible teaching, creative activities, and meaningful moments of connection designed to help each student grow in Jesus, build friendships, and know they're part of something bigger. Age-specific schedules, packing lists, and prep info will be sent to parents as the event gets closer.

SAFETY

Your child's safety is our top priority. Every team member is **background-checked and trained**, and we follow national Foursquare child protection standards. This includes maintaining required **adult-to-child ratios** based on age and using a **secure check-in and check-out** process. We also have **dedicated security** present during all NextGen sessions, monitoring the NextGen spaces and rooms throughout the event.

CHECK-IN / OUT

1. CHECK IN

Use a NextGen check-in kiosk to print a wristband for each child. They'll wear it all week.

2. DROP OFF

Bring your child to their classroom, where a team member will scan the QR code on their wristband.

3. PICK UP

Only the adults listed on the wristband can pick up. We'll match your ID with the approved names.

FAQS

Does my infant need to wear a wristband?

No. Attach it to their diaper bag. A classroom nametag will be placed on their back.

Can youth check themselves in or out?

Yes, but only for 11th and 12th graders whose parent or guardian opted in during registration.

When is NextGen open?

NextGen opens 30 minutes before sessions and closes 30 minutes after.

How will you contact me if needed?

We'll call or text. Please keep your phone on you during all sessions.

Will you feed my child?

No. Please pack a labeled, nut-free snack and water bottle. Pouch-style snacks are best. Feed your child before arriving and during meal breaks.

Where is NextGen located?

NextGen classrooms are located next to the General Sessions, making drop-off and pick-up quick and convenient.

What if my child has special needs?

You can indicate this during registration. Our team will follow up with you directly before the event with details.

How do I update my child's info?

Use the "view/edit this order" link in your confirmation email or email connection@foursquare.org.
