

Meet Your District Mission Mobilizers

Part of a U.S. Foursquare church? Talk to your district mission mobilizer (DMM) to find out how your congregation can best partner with [Foursquare Missions International](https://foursquaremissions.org) (FMI).

Ask about opportunities to pray for missions, give to missions and go to the missions field. You can even find out how send someone from your church as a missionary, short-term team member or business-as-mission worker, and discover our available missions resources.
