# Joy to the World

**W**elcome to the Foursquare Global Giving Catalog! Within these pages, you will discover countless opportunities to join hands with the worldwide mission of Foursquare.

We all love to feel joy, yet we understand that joy can take on many forms for different people. For some, joy is found in the transformation that comes through a relationship with Jesus. For others, it is the excitement of a new believer being equipped and resourced to grow in their faith. Joy is also the relief experienced by those who are

hurting when they receive care and by the hungry when they are fed.

As you browse through our Foursquare Global Giving Catalog, let the Holy Spirit guide you and allow your heart be filled with hope and expectation. Imagine the transformation and joy your support can bring to individuals and communities around the world. Together, we can be the hands and feet of Jesus, spreading His love and joy far and wide. Thank you for your compassion and generosity. May your Christmas be filled with the same joy you so generously share with others.

# Foursquare Missions Press

**Foursquare Missions Press (FMP)** is driven by the belief that access to God's Word and discipleship resources should be available to all people, everywhere.

FMP brings joy through resourcing...providing Bibles, books, and discipleship materials free of charge to Foursquare workers, national leaders, and partner ministries around the world. Each resource equips pastors, strengthens new believers, and helps the gospel take root in places where it has never been heard.

On the pages that follow, you'll see how this joy is multiplying. You'll read how leaders are being trained with resources in their own languages, and how entire communities are encountering Jesus through materials that meet both spiritual and practical needs. These stories remind us that resourcing is more than distribution—it is planting seeds of hope that grow into transformed lives.

FMP is committed to this mission until all have the tools they need to follow Christ and share His love. And through your generosity and prayers, together we bring the joy of Jesus to the nations.

# Boxes - NextGen Resources

For nearly a quarter of a century, FMP has resourced tens of thousands of NextGen leaders reaching well over a million children and youth using some of the following resources:

- The **Children's Gospel Box** provides a wide spectrum of evangelism and discipleship resources to reach and teach 150 kids per box ([www.cgbox.org](http://www.cgbox.org)).
- The **Action Study Bible**, often used in conjunction with the Box, is one of the very best illustrated Bibles available for kids today.
- **Solar-Powered Projectors**, provided by FMP, can show one of the most effective evangelism tools ever created, **The JESUS Film and The JESUS Film for Children** — in some of the most remote parts of the world.

## Two recent examples

In India, Foursquare leaders challenged more than 100 young people to go out—door to door, village to village—and share the Good News using some of FMP's CG Box materials. At first, they were reluctant because of the danger of sharing among people often hostile to Christians. But when these youth divided into teams and went out, they returned excited. "We thought people would be angry with us, but people were very open and very receptive," one said. In fact, they were so receptive that in one Hindu neighborhood a church was planted, which these youth now pastor!

Using FMP's solar-powered projector, a youth group in Namibia invited an unreached tribe of young people to watch The JESUS Film. According to the leader, "They are among the least reached people in our nation because they lead a nomadic life." That night, more than 100 youth came to Christ!

## How you can partner with us:

- |   |         |
|---|---------|
| • Sponsor a Children's Gospel Box         | \$150   |
| • Sponsor an Action Study Bible for youth | \$15    |
| • Sponsor a Solar-Powered Projector       | \$3,000 |

# Bibles + Books

## Meet Henry, Simon and Asili

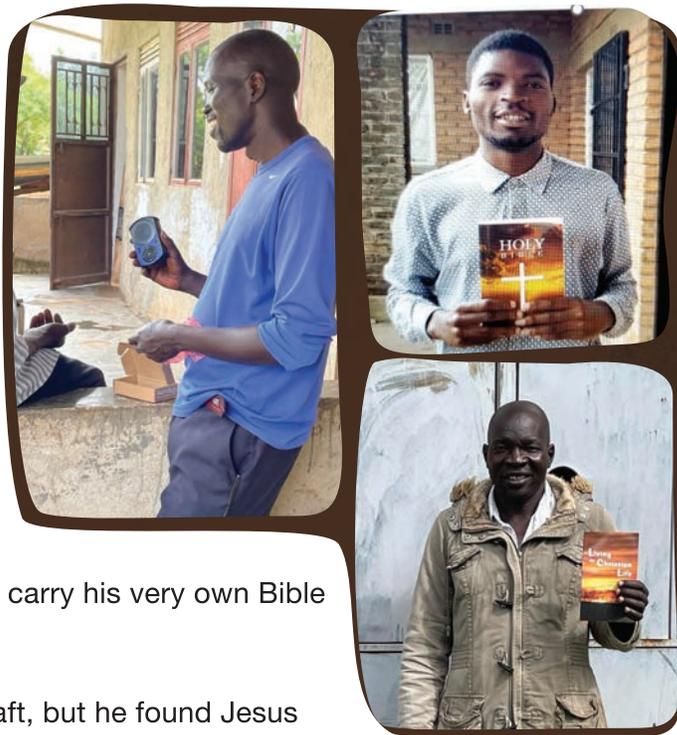

They have a few things in common. First, they all live in Africa—Malawi, northern Uganda, and South Sudan, respectively. Second, they share a common joy in receiving free FMP resources.

Henry has his very first Bible, given through **FMP's Malawi Million Bible Project**—an initiative to place a Bible in the hands of every student in this incredibly poor nation at the request of the government. Henry, who is deaf, is deeply grateful to carry his very own Bible to his public school.

Eight years ago, Simon was a practitioner of witchcraft, but he found Jesus as his Lord and Savior. Foundational to his new walk was **FMP's Living the Christian Life**, which equipped him for pastoring, evangelism, church planting, and teaching other leaders. He continues to use this book and other FMP resources in his faithful ministry. According to his supervisor, “Never discount the power of the materials from FMP.”

Asili has been growing in his faith using one of **FMP's solar-powered audio Bibles**. One day while he was listening, a friend stopped by and joined him in hearing the Word of God. Feeling led, Asili gave his prized possession to that friend—who, that very day, took it to town and used it to lead four people to Christ.

These are only three examples among tens of thousands of stories happening every year because of the power of God's Word shared in multiple formats and languages. With your help, FMP can continue to send thousands of Bibles, tens of thousands of books, and hundreds of audio Bibles—year after year!

### How you can partner with us:

- Malawi Million Bible Project \$12 per Bible
- FMP Discipleship Resources \$10 (average) per book
- Solar-powered audio Bible \$65 per Bible

# Foursquare Disaster Relief

Through courageous Foursquare communities in the U.S. and worldwide, we empower local churches to bring hope and healing when their communities are shattered by disaster.

From nourishing meals and safe water to shelter and spiritual care. We are committed to illuminating the path through every shadow with the boundless compassion of Jesus.

Our mission is simple: to be the hands and feet of Jesus, offering practical relief, spiritual support, and long-term recovery alongside trusted local leaders.

**The Ready Fund** is our frontline response fund, enabling us to act quickly when a crisis hits. Your giving empowers churches to respond immediately, offering food, water, shelter, prayer, and the love of Jesus to those who need it most. Below are just a few examples of how your generous giving to the Ready Fund creates tangible impact and lasting ripple effects in communities around the world.

# Hurricane Helene Response

When Hurricane Helene tore through coastal communities in September 2024, it left behind a wake of devastation: flooded homes, shattered infrastructure, and displaced families. Because of your generosity to give to the Ready Fund, FDR was able to deploy quickly, working through local Foursquare churches to distribute

emergency relief supplies, provide spiritual and emotional care, and coordinate clean-up efforts. Your giving made it possible for neighbors to find shelter, for children to eat, and for pastors to stand as pillars of hope amid the storm.

# Los Angeles Fires Response

In the aftermath of the devastating Los Angeles wildfires, 21 Foursquare churches across the region became hubs of relief. FDR partnered with local leaders in the Western and National Hispanic District to distribute food,

supplies, and basic household goods to families who had lost everything.

Disaster Chaplains provided trauma-informed spiritual care to those grieving, while good and supplies arrived within days of the disaster. Long after the smoke cleared, FDR remains on the ground, supporting recovery through the strength of local churches and the generosity of people like you.

# FDR Medical

In underserved communities around the world, FDR's volunteer medical teams are bringing healing and hope. Recent clinics in Uganda, Cambodia, and the Dominican Republic have provided free health care and the love of Jesus to hundreds of individuals.

These short-term medical outreaches, staffed by volunteer professionals and coordinated through local churches are moments of dignity, prayer, healing, and transformation. When you give, you help make healthcare accessible in places where few options exist.

# Congo Refugee Relief

As war and persecution continue to displace families in the Democratic Republic of Congo and neighboring nations, Foursquare Disaster Relief is providing life-saving aid in partnership with Foursquare leaders in Congo and Burundi. Together, we've delivered food, medical care, tent shelters, and safe water to thousands of refugees. Churches planted within the camps now offer spiritual refuge and a sense of community.

On-site schools and vocational training programs provide access to education, restoring purpose to those who have lost everything. Your gifts to the Ready Fund are meeting urgent needs and planting seeds of hope where suffering runs deep and recovery is long.

WATCH THE STORY

# Long-Haul Projects: Rebuilding and Restoring

Some disasters don't end when the headlines fade. That's why we are committed to the long haul. In Lahaina, we're partnering with local leaders and other agencies to build homes for families who lost everything in the wildfires. Across Africa and in disaster zones, we're providing water filtration systems and wells that provide safe drinking

water. And in Ukraine, we continue to support local Foursquare churches as they serve those displaced and traumatized by ongoing war. These and many more long-term projects are sustained by the Ready Fund. Your generosity fuels real, lasting transformation where it's needed most.

# Foursquare Missions International

At the heart of everything we do is the desire that every person, in every nation, would know the life-changing love of Jesus Christ.

Around the globe, **Foursquare Missions International (FMI)** is bringing joy through relationships by crossing barriers of language, culture, and geography to live among people who have never heard His name. Through these relationships, the gospel takes root: churches are formed, disciples are made, and hope is multiplied.

On the pages that follow, you'll see how this joy is taking shape. You'll read how God transformed Roman's life in a restricted nation, and how See Love Reach is carrying the name of Jesus into frontier people groups where no witness has existed before. These stories remind us that missions is not simply about going, but about loving, serving, and standing alongside people until whole communities are transformed.

FMI is committed to this mission until all have the chance to know Christ. And through your generosity and prayers, together we bring the joy of Jesus to the nations.

# Global Missions Fund

## Roman's Story

Roman grew up in a world of addiction and crime. For 18 years he injected drugs, cycled in and out of prison, and endured violence so severe he once survived dozens of stab wounds. Covered in scars inside and out, he felt there was no way forward. In his darkest moment, he finally cried out to God—and **Jesus met him in his brokenness.**

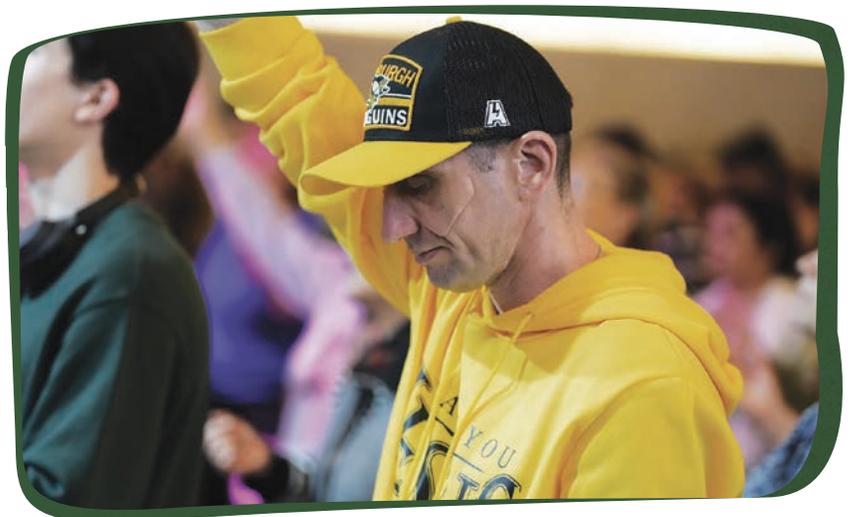

That encounter happened in a Central Asian nation where the gospel cannot be preached publicly. Yet even in that restricted place, God opened a door through the ministry of the local Foursquare Church. Roman was welcomed into a rehabilitation center where he experienced love, care, and the hope of Christ. In just one month he completed rehab, an incredible breakthrough after nearly two decades of addiction. From there, he pursued studies at a Christian college, where his faith

deepened and his calling to serve others became clear.

Today, Roman ministers in the same nation where he once lived in despair. He helps lead social programs that reach drug addicts, alcoholics, and families facing cycles of poverty and brokenness. What once defined his life—hopelessness, violence, and addiction—has now been transformed into compassion, strength, and a passion to see others restored.

**Your gift to the Global Missions Fund makes stories like Roman's possible.** Together, we are equipping workers, sustaining ministries, and sharing the gospel's hope in nations where it cannot be proclaimed from a platform but is lived out through love, service, and transformed lives.

LISTEN TO  
ROMAN'S  
STORY

# Reaching the Unreached

## See. Love. Reach.

Imagine never once hearing the name of Jesus. No churches in your village. No Bibles in your language. No neighbor or friend who could share the story of God's love. This is the reality for more than two billion people today—communities known as frontier people groups, where fewer than one in a thousand know Christ.

**Through See. Love. Reach., Foursquare is bringing hope to these forgotten places.** Right now, Foursquare is actively serving in 15 of the 36 largest frontier people groups in the world. In nations

where the gospel has never taken root, they are living among the people, building trust, and demonstrating Christ's love in practical ways—long before anyone ever hears a sermon.

Every gift you give helps carry joy into these silent spaces. Joy is a family receiving clean water in Jesus' name. Joy is a young woman, once hopeless, learning that her life

has infinite value. Joy is the very first believer in a village discovering freedom in Christ, becoming a spark of light in a place that has known only spiritual darkness.

Your generosity to See Love Reach is more than a donation—it is an act of love that crosses barriers. Together, we are opening doors in the hardest places, so that those who have never heard might one day rejoice in the name of Jesus.
