

8 Ways to Pray for the Unreached

1. Pray they will encounter the love of Jesus.

Ask God to reveal Himself through dreams, visions, and divine appointments, especially in places where there are no churches or missionaries yet.

2. Pray for bold, compassionate workers.

Intercede for missionary workers, local pastors and believers stepping into hard places. Pray for protection, wisdom, and Spirit-led strategy.

3. Pray for open doors in closed nations.

Many unreached people live in regions that restrict or outlaw the gospel. Pray for favor with authorities and creative ways for the message to go forth.

4. Pray for the Bible in every heart language.

Millions still do not have access to Scripture in their own language. Pray for translation efforts and that God's Word would be received with joy.

5. Pray for the displaced and vulnerable.

Many unreached people are also refugees or migrants. Pray that, in their movement, they would encounter Christians who share Jesus with love and compassion.

6. Pray for strong, indigenous churches to be planted.

Ask God to raise up local believers who can disciple others, start new churches, and sustain the gospel in their communities.

7. Pray for spiritual breakthrough.

Pray against spiritual blindness, fear, and opposition that keeps people from responding to the gospel.

8. Pray for the global Church to respond.

Ask God to awaken churches everywhere—including ours—to see the unreached, love the lost, and go where the gospel hasn't gone.
