

Most probable in 10 years

- 1 Moore's law fails
- 2 gravity waves detected directly
- 3 Higgs found
- 4 string theory boring
- 5 understand what q-computer is good for
- 6 nothing new in inflation
- 7 fund. physics reformulated top-down
- 8 CMB anomaly
- 9 DM detected
- 10 consensus on extra-dim

Least probable in 10 years

- 1 multiverse observed
- 2 q-computers replace chem labs
- 3 complex numbers obsolete
- 4 q-comps uncover failure of qm
- 5 cosmic strings
- 6 integer-only physics
- 7 violations of WEP detected
- 8 primordial B-fields
- 9 consensus on time
- 10 q-comps drive nanotech

Most probable in 1,000 years

- 1 2nd thermo law still good
- 2 10^6 q-bits
- 3 Engineered intelligence passes Turing test
- 4 QG all done
- 5 consciousness "explained"
- 6 Hawking radiation observed
- 7 AOT consensus
- 8 spacetime obsolete
- 9 interstellar travel
- 10 ETI's are teachers

Least probable in 1,000 years

- 1 visits to other universes
- 2 time travel
- 3 extra-dim shortcut
- 4 realize we are just a simulation
- 5 soul weighed
- 6 brain interferometry
- 7 Headline: "pocket universe gravitino burst..."
- 8 BH stardrive
- 9 Moore's law sustained
- 10 white holes detected

Most important in 10 years

- 1 deviations from qm found
- 2 Planck-scale effects
- 3 violations of WEP detected
- 4 q-comps uncover failure of qm
- 5 DE goes away
- 6 CMB anomaly
- 7 dark energy varies
- 8 varying alpha
- 9 DM detected
- 10 Higgs found

Most interesting in 10 years

- 1 deviations from qm found
- 2 Planck-scale effects
- 3 fund. physics reformulated top-down
- 4 violations of WEP detected
- 5 consensus on qm interp
- 6 CMB anomaly
- 7 dark energy varies
- 8 DE goes away
- 9 q-comps uncover failure of qm
- 10 varying alpha

Most important in 1,000 years

- 1 QM intact
- 2 spacetime obsolete
- 3 QG all done
- 4 contact
- 5 2nd thermo law still good
- 6 conciousness "explained"
- 7 AOT consensus
- 8 humans extinct
- 9 interstellar travel
- 10 fundamental physics done

Most interesting in 1,000 years

- 1 contact
- 2 QM intact
- 3 spacetime obsolete
- 4 QG all done
- 5 conciousness "explained"
- 6 AOT consensus
- 7 interstellar travel
- 8 Brain uploaded
- 9 2nd thermo law still good
- 10 humans extinct
