

MICROBRITE®

COLOR AND WHITE LED LIGHTS

Compact, brilliant pool and spa wall-fitting led light.

Energy-efficient. Awe-inspiring. Easy to install. Presenting the ultra-compact LED pool lights that are brilliant on every level.

KEY SELLING POINTS:

- Exceptional brilliance, lighting uniformity, and amazing colors. From a light just 3.5 inches long.
- Approved for installation in water as shallow as 4 inches.
- Pools steps, sun shelves, swimouts, water features.
- A razzing, dazzling retrofit for pools with older pool lighting systems.
- Enjoy pure LED efficiency from a compact 12V LED plastic light.
- Compatible with a standard 1.5" pool wall fitting. Saves installation time and materials.
- Connects to any Pentair automation system or the Pentair Color Sync™ Controller.
- MicroBrite Color offers seven dazzling color shows and your choice of five fixed colors. Microbrite White is available in Classic White or Warm White lights.

Appearance of color and white LED light may vary between various models of lights. Appearance and perception of pool lighting may vary depending on a number of factors including, but not limited to, the particular model of light, the location/depth/angle of the light's installation, pool finish/material, pool depth/shape/geometry, ambient light sources, subjective factors and more. For best results when using multiple lights, use all the same model and do not mix multiple models of lights within a single installation.
