CREATING EXCITING & MEMORABLE EXPERIENCES

MD ANDERSON 75TH ANNIVERSARY 2016

Make Your Event *Remarkable*.

Your audience deserves an incredible experience they'll never forget. Bright Star Productions has managed and transformed countless corporate events, turning them from bland to *grand* with our signature turn-key solutions.

Let us handle all the logistics from lighting, sound, video, rigging, staging and technical labor. We carry the latest gear and innovations like projection mapping and LED technologies to make your dream event a reality.

We bring your concepts to life with our decades of experience and design skills. Our team partners with your team to turn your company's vision into an engaging, immersive and impactful "*wow*".

Bright Star Productions – your Event Technology and Design Partner.

PROUD AWARD WINNERS:

NACE

INTERNATIONAL LIVE EVENTS ASSOCIATION
CRYSTAL ICON

FROM CONCEPT TO COMPLETION

Let Bright Star Production's solutions transform your corporate event from concept to completion. We're experts in designing dramatic concepts that turn your typical corporate event into an immersive experience.

We'll provide any necessary paperwork and turn your concept into a 3D video rendering allowing you to see exactly how your lighting design and video will look at your event before you even step into the building.
