

READY TO UNCOVER THE SIX-FIGURE FORMULA FOR YOUR ONLINE, SERVICE-BASED BUSINESS?

If you're ready to take your business from making a few thousand dollars a month to \$10k/month (six figures each year), this guide is for you.

You CAN earn six figures in your online, service-based business, but you need the right strategy. That's what we'll cover here.

This cheat sheet is an accompaniment [this mini video workshop](#) and doesn't include all of the details you need to hit six figures, so be sure to watch that full workshop.

STEP 3: MAKE A PLAN AND EXECUTE

Once you have your stake in the ground and have packages that work well for your business, you need to map out your plan to execute this strategy. To do that, you must identify your strategic gaps.

Identify Your Strategic Gaps

Review the checklist below and mark the areas you need to work on before you can jump to this higher pricing.

- big-picture business strategy
- offers and pricing
- copywriting
- sales
- waiting list
- calendar and strategic planning
- scheduling
- systems
- mindset
- attracting the right clients

On the following page, make notes about these gaps or additional gaps you might see are applicable to your business.
