[Church Name]
Benevolence Guidelines
Statement of the Benevolence Fund:
James 2:26 (NKJV)
For as the body without the spirit is dead, so faith without works is dead also.

Hebrews 6:10 (NIV)
God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them.

Purpose: The benevolence policy is a tool to help the church comply with increasing federal and state government guidelines in operating nonprofit organizations. This policy is intended to help the church avoid conflicts by providing well-written and understandable content based in biblical handling of the financial resources God has provided.

Adoption and Amendments: The Benevolence policy is not included in the church constitution or by-laws and can be amended, deleted or added to at any regularly scheduled council meeting. The church body will be informed of changes made to the designated benevolence fund policy. A copy of the benevolence policy will be given to all council members, the treasurer and the book keeper and also kept in a prominent location of the church.

Guidelines:
The church, in exercising our religious purposes, has established the benevolence fund to assist persons in financial need. The church welcomes contributions to the fund. The administration of the fund, including all disbursements, is subject to the control and discretion of the church council. The council may consider recommendations from anyone, but in no event is the council bound in any way to honor the recommendations. Donors will not be permitted to recover a contribution on the grounds that the committee failed to honor the donor’s recommendation.

The church recognizes that planning for future needs is a practice of good stewardship and has established this fund as an ongoing fund. Should at any time in the future the church vote to close this fund, all money in the fund at that time will go in the general fund of the church.

The council will record the required Internal Revenue Service documentation for benevolence requests. The following documentation should be recorded for accurate record-keeping:

1. A complete description of the assistance
2. The purpose for which the aid was given
3. The objective criteria for disbursement
4. How the recipients were selected
5. The name, address and amount distributed to each recipient
6. Any relationship between recipient and officers, or key employees or substantial contributors to the church.

The assistance is always based on the availability of benevolence funds.

The church will help via payments of bills to 3rd party that will provide receipts for expenditures (IRS required for over $75.00)

The church will void and return all checks designated to a specific individual or family. Please give to specific individuals or families directly.

The types of help that will be provided by the benevolence fund include, but are not limited to, payments of water, gas or medical bills but are not limited to those categories. Once an individual or family has met the annual limit up to $500.00 of financial assistance they are no longer eligible. However the church reserves the right to exceed the $500.00 annual limit in special circumstances to be approved at a legally called congregational meeting.

The information is confidential and will be stored securely.

To be reviewed annually
