The Presentation

This easy-to-learn item requires you to print out the pictures onto A4 card – or bigger if you can. The readers hold their cards at waist level, then, one at a time, lift their card in front of their faces as they read the verse you have written on the back.

If they hold the shape up high, in front of their face, everyone will see what the picture is, and the readers can see their lines.
Practice is needed, but not necessarily learning by heart!

It makes a lovely display if each reader keeps holding up their card, perhaps at chest height, even after reading. Then all lift together for the final verse in unison.

We have included a wee PowerPoint with these images in case you prefer to project them. In which case, the children can hold a printout of their verse as they read them.

[Reader 1]

Christmas **GIFTS,** they bring us pleasure
How we love them, every one.
But God gave beyond all measure
When He gave His only Son.

[Reader 2]

Christmas **STARS** they glow and twinkle.
They each have a message, too.
For the God who made the heavens
Placed them there for me and you.

[Reader 3]

Christmas **BELLS** ring very clearly,
As they call us all to pray.
Let us give our praise to Jesus
Worship Him this happy day.

[Reader 4]

Christmas **LIGHTS** so softly shining
Shed their rays throughout the night.
They remind us of the Saviour,
He alone is Heaven's true Light

[Reader 5]

Christmas **MUSIC**, carol singing,
Songs of praise and joy go forth,
Telling out the wondrous story
Of the Saviour's promised birth.

[Reader 6 and ALL Readers together]

Christmas symbols, none so precious
As God's great and holy **WORD**.
Let us stop and think about it
For it tells of Christ the Lord.
