

TOP REASONS TO LEASE

PAY FOR WHAT YOU DRIVE

You only pay for the portion of the vehicle you use over the term of the lease.

PAY LESS TAX

Don't pay sales tax on the entire value of a vehicle! Only on the portion that you use.

LOWER DOWN PAYMENTS

Down payments are lower, depending on the contract and the monthly payment you want.

WARRANTY WORRILESS

Many lease terms are the same length as the manufacturer's warranty. Check with your dealer to see.

LOWER PAYMENTS

Monthly payments may be lower than purchasing the same vehicle.

OPTION TO BUY

Love your lease? At the end of your lease, you have the option to buy!

NEWER, SOONER

Drive a new vehicle every two to four years with all the new tech and design updates.

PAY-OFF PROTECTION

If your vehicle is a total loss or stolen, gap coverage helps, in most cases, pay off your vehicle when insurance doesn't cover the full loss.

LEASE LUXURY

For the same monthly payments as buying, you may be able to lease luxury.
