INDIVIDUAL LEADERS

The 2020 season was split between the fall and spring of 2020-21, and the Divisions II and III championships were canceled due to the COVID-19 pandemic. The minimum number of matches played during the 2020 season for record book inclusion in single-season per game categories was six games, which was the minimum required for at-large NCAA championship consideration in Division I.

TEAM LEADERS

The 2020 season was split between the fall and spring of 2020-21, and the Divisions II and III championships were canceled due to the COVID-19 pandemic. The minimum number of matches played during the 2020 season for record book inclusion in single-season per game categories was six games, which was the minimum required for at-large NCAA championship consideration in Division I.
