STUNNING

Designer's Dream

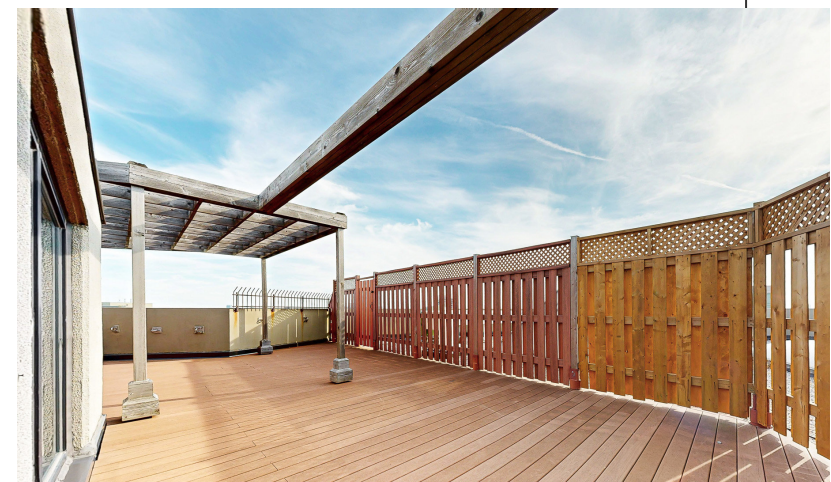

Experience the grandeur of this rare penthouse, where luxury, light, and sweeping city views create an unforgettable escape- a true bungalow in the sky! Your mornings begin with coffee in the glow of sunrise, and evenings unfold beneath spectacular sunsets on your private rooftop deck. Perched atop the coveted Skymark Classic in prime North York, This Tridel-built residence offers soaring 16-foot cathedral ceilings and an extraordinary 700 sqft rooftop terrace, which showcases breathtaking, unobstructed views of the CN Tower, downtown skyline, and brilliant sunrise & sunsets that spill colour across the horizon.

A true bungalow in the sky with a rooftop terrace feels like home!
