Jack Altschuler
Chief Alive Officer
Fully Alive Leadership

Dear Jack:

Thank you again for your facilitation of the Fully Alive Workshop at Magline. When I first experienced the idea of being a Chief Alive Officer at our monthly Vistage, I knew it would be a great experience to bring back and share within our organization. Now, three workshops later your personal style and professional message centered around **“Getting more of what you want and less of what you don’t”** has left a positive and enduring mark on many here at Magline. Everyone who participated walked out with an actionable plan for self-improvement! Appreciate all your help in creating organizational accountabilities here at Magline.

Sincerely,
