

## MEMORANDUM

**To:** Indiana School and District Administrators

**From:** Nathan Williamson, Director of Title Grants and Support  
Valerie Beard, Assistant Director of English Learners and Migrant Education Programs

**Subject:** Revised Non-English Speaking Allocations

**Date:** June 26<sup>th</sup>, 2017

The 2017-2018 Non-English Speaking Program allocations have been recalculated and are now available [HERE](#). The Title III and Immigrant Influx Allocations remain unchanged. The revised allocations will be loaded into the DOE online system and will be available on Fri., June 30<sup>th</sup>. The application deadline remains Fri., Sept. 1, 2017.

Through consultation with the Indiana House and Senate staff, it was determined that the proration of the tiered distribution portion of the grant needed to be recalculated to allow for a variance. The base NESP per-pupil allocation of \$250 did not change and only LEAs with an EL population comprising 5% or more of total student enrollment will see a minimal change in their funding levels.

There is now a specific, tiered distribution for LEAs with an EL population comprising 18% or more of total student enrollment.

### NESP Revised Allocation Formula:

**\$250** base per-pupil allocation (remains unchanged)

**\$131.50** additional per-pupil allocation in excess of 5% for LEAs with an EL population in excess of 5% but less than 18% (previously \$142 per-pupil)

**165.16** additional per-pupil allocations in excess of 5% for LEAs with an EL population greater than 18% (previously \$0)
