Important note on attendance for people with CF and their families:

The health and well-being of people with cystic fibrosis is our top priority. Medical evidence shows that certain bacteria can be passed between individuals who have CF and can lead to worse symptoms and speed decline in lung function. To limit the serious risk of cross-infection between people with CF, only one person with CF may be invited to attend any indoor CF Foundation-sponsored event. Please note: People with CF and their families should be aware that individuals with CF might choose to attend Foundation events or meetings without notifying event organizers. We strongly discourage this; however, we cannot guarantee that only one person with CF will be present at any indoor Foundation event. For more information, please call us at (904) 733-3560.
