

2027 Virginia Statewide Neighborhood Conference Sponsorship and Exhibitor Registration

The Virginia Statewide Neighborhood Conference (VSNC) provides an opportunity for neighborhood and civic leaders from communities across the Commonwealth to come together to share ideas and learn of ways to improve the quality of life in their neighborhoods. This annual conference includes workshops, guest speakers, exhibits and statewide award recognitions and more that allow participants to network with one another and share their knowledge, experience, and vision for enhancing one's neighborhood in Virginia as a neighborhood of choice! Each conference activity is carefully designed to illustrate the vital role neighborhood volunteers and organizations play in shaping their cities' futures.

The Virginia Statewide Neighborhood Conference is attended by diverse groups of grass-roots neighborhood leaders, youth, non-profit and government staff, and others working in the field of neighborhood community development. Don't miss this chance to get your name and community-building success stories in front of these citizens and neighborhood leaders!
