\*- this price includes Multi-brokerage Social Trading and Monitoring Engine, installation and 90 days support. Language: English, but can be ease translated to any language. (translation is not included in price)

## Multi-brokerage Social Trading and Monitoring Engine description.

Social trading and monitoring engine allows you to create Multi-brokerage Social Trading and Monitoring website. Multi-brokerage strategies monitoring copying is released via expert advisors, but can be realised via MT4 manager API (this options good if you have any relationships with brokerage companies).

The screenshot shows the FxMars website interface. At the top, there is a navigation bar with the FxMars logo and several menu items: HOME, ABOUT US, ACCOUNT, SUPPORT, FAQ'S, OPEN DEMO ACCOUNT, and OPEN LIVE ACCOUNT. A CLIENT'S LOGIN button is also present. Below the navigation bar, there is a search box for finding managers. The main content area is titled "Managers List" and features a table with columns for Account, Rating, Profit %, Current Trades, and Profitability. A single entry for "Adam Doe #6476" is shown with a rating of 0.00, profit of 0.00, and 0 current trades. A "Copy" button is next to the entry. To the right of the table, there is an "Activity" section showing recent events, such as "Follower subscribed to Adam Doe" and "Alan Kar - become a Follower". Below the activity, there is a "Full list" link and a "Statistics" section with a table showing metrics like Followers, Followers joined last week, Managers in last 3 days, Watchers, and Managers copied.
