3. **Provide the Repair Facility with a copy of Your Limited Warranty and/or Your Warranty Number.**
4. **Obtain Authorization from the Administration from the Administrator by calling Claims Department at 1-866-460-1308:** Prior to any repair being made, instruct the service manager at the Repair Facility to contact the Administrator to obtain an authorization for the claim. Any claim for repairs without prior authorization will not be covered except as provided under Emergency Repairs (#8 below). The amount authorized by the Administrator is the maximum amount that will be paid for repairs covered under the terms of this Limited Warranty. Any additional amount must receive prior approval.

You will be responsible for these charges if the failure is not covered under this Limited Warranty. We reserve the right to require an inspection of Your Vehicle prior to any repair being made.
6. **Review Coverage:** After the Administrator has been contacted, review with the service manger what will be covered by this Limited Warranty.

We will reimburse the Repair Facility or You for the cost of the work performed on Your Vehicle that is covered by this Limited Warranty and previously authorized, less the Deductible. Once authorization is obtained and the repair is completed, all repair orders and documentation must be submitted to the Administrator within thirty (30) days to be eligible for payment. If You cannot take Your Vehicle back to the Issuing Dealer and an alternate Repair Facility will not accept Our authorization number for payment, we can make payment by Our credit card.
