Dear Troy,

I am thrilled to announce that your dealership has earned the 2022 Award of Excellence for your achievements in FY2021 – a distinction you have achieved multiple times! This accomplishment is a testament to your dedication and outstanding performance. You have consistently conquered the challenges set forth by the program's rigorous criteria, and you rank among Nissan's top dealerships. Congratulations on achieving this prestigious honor!

To recognize your outstanding dealership and your employees, the Award of Excellence program will send awards in the next 8-10 weeks. You will receive a customized AOE trophy, Plexiglas banner, and framed *Automotive News* ad naming your dealership as a 2022 AOE winner. I hope you display them with pride and invite your employees and community to celebrate your success.

On behalf of the entire Nissan team, thank you for the effort and commitment it took to rank as one of our top dealerships. You represent the best of our brand, and we wish you continued success in FY2022 and beyond.

Sincerely,

Judy Wheeler

Divisional Vice President, Nissan Sales & Regional Operations
