

Facilities and Resources Template

Identify the facilities to be used for each of the sections (Laboratory, Animal, Computer, Office, Clinical and Other). If there is no applicable information, please write N/A. Where appropriate, include information concerning their capacities, pertinent capabilities, relative proximity and extent of availability to the project. Please describe only those resources that are directly applicable to the proposed work.

Laboratory:

Clinical:

Animal:

Computer:

Office:

Other: *(NOTE: This space may be used to outline the institutional/intellectual environment available for your project.)*
