Quotes from Fort Benning Head Coach - JOHN ROSS

"I'm shell-shocked. I don't believe it. I've never seen a team dominate another team as much as Georgia Southern dominated us."

"I can't understand how we could have played so well last week and come back this week and be beaten so badly."

"This is a super Georgia Southern team. We turn the ball over and they took full advantage just like a good team is supposed to."

"I have great respect for Coach Russell. He is building a great program here. It's great for the school and the people in this area."

"This is a much improved team over last year. They do every thing well. Their passing has improved. They're more confident and definitely well coached."

Erk Russell, Georgia Southern

"the game looked like one big turnover."

"We never really ran a series, we just got big plays."

"Ricky Harris howed some good speed tonight, especially that long TD run out of the fullback spot."

"They had many errors in the first quarter and that seemed to demoralize them"

"After our defense settled down they played a good game."

"That fumble they had on the ~~maxk~~ punt really hurt them."
