END OF GAME

Steve Shaughnessy, Catawba head coach

We had a tremendous effort defensively. They rose to the occasion and made the big plays when they had to.

Our offense did a good job of controlling the ball. We wanted to keep the defense off the field and we did.

Georgia Southern's program is on the way up. They have a very good team to be in their first year

Erk Russell, GSC head coach

"the major problem was mine. I didn't have our team ready to play football. We didn't have our motor running all week. You can't just turn it on Saturday,

"Catawba is not an 0-7 team. They did not commit many mistakes on offense.

In every phase of the game, we were spotty. We didn't run our option very well. They took it away from us. We need to be able to do something else when people take away the option from us."
