POSTGAME QUOTES

MONTANA HEAD COACH JOE GLENN

"That's a good football team we played. They played awfully hard. They did a great job. They beat a good football team. A team with a lot of heart, spirit, no quit. I'm very proud of our team. They gave a great effort. The old college try. People who came got their money's worth today. It was a great game between two teams for the national championship. It went down to the wire. In the end we didn't make enough plays. We made some mistakes that were costly. We missed some extra points and some untimely penalties. We had our chances and just put ourselves behind the 8-ball a little bit and couldn't quite finish. You have to give credit to Georgia Southern. They made plays. They had some picks down around the endzone. Those are plays if we make any one of them, we are the national champs. I take my hat off to them. They worked hard and beat a damn good football team."

"We had (Peterson) him pretty well bottled up early. The touchdown pass they hit a wide open receiver, we just didn't roll and were supposed to roll coverage. The darn thing about it is when we had the lead for a minute they ran a veer dive. We had stopped that all day long. All you have to do is miss that darn thing once. A glancing tackle he shook off and then he's footloose and fancy free in the secondary and gone. He is a tremendous football player and was the difference in the game."

(On QB Drew Miller's injury) "It happened before, and the team has every confidence in John to come in and move the ball. But that's our senior captain quarterback, and we missed him. I will credit John for coming in doing a great job. Taking us from a 3-20 deficit taking us to a lead. We just couldn't finish them."

MONTANA DEFENSIVE TACKLE ANDY BOOMER

"We are a veteran team. At the half, we knew we could get back there. We battled. When we were doing our jobs, we stopped them. We had been in situations like this before and we battled."

MONTANA DEFENSIVE TACKLE ANDY PETEK

"All we could ask for was to get the ball back to our offense. We got a couple of fumbles there in the second half and a lot of three and outs. That's all we could ask for."

MONTANA QUARTERBACK JOHN EDWARDS

"We were a little off. I had a little trouble with the weather. The ball being muddy and wet bothered me a little bit. Sometimes I didn't make the passes I know I can. For a stretch when we needed to make the plays, we didn't. Thought we did a good job when we had to until the end of the game. When it came to crunch time we didn't get it done."

Drew has had the injuries this year and it has given the chance to come in and be in the situation I was in today. I started three games this year and played a lot of football when Drew was nicked up. I can't say enough about my teammates and the confidence they have in me. What it does for my confidence, knowing this late season when I come off the bench they aren't concerned that I'll move the ball."

GEORGIA SOUTHERN HEAD COACH PAUL JOHNSON

"I thought this was a great game. I have the utmost respect for the University of Montana, they came back on us and kept fighting to get back in the game. To our credit, we had a number of opportunities to quit when things weren't going our way but we fought and worked our tails off out there. I know we were tired in the fourth quarter, but our guys just wouldn't quit."

"We came out and just ran our offensive package, not really concerned with who was getting the ball. The field conditions really hurt us because we weren't able to make the cuts and get up field like we are usually able to. Their defense took some chances and we were able to take advantage of those. I think we got away from the counter option and just had to do what we could to move the ball. They did a nice job of stopping our triple option today"

"I thought that our secondary and the entire defense played well today and throughout the playoffs. I'm really proud of the whole team, because I know that in the third quarter with the rain was about the most miserable I've been in my whole life."

(On winning the National Championship) "I'm really happy for the players. This was a fun year because I watched our team get better each week. They really believed in what we were doing and in each other this year. Honestly, we fed off the fact that no one thought we could get back here and win the national title again."

JUNIOR FULLBACK ADRIAN PETERSON

(On the 57-yard TD run) "I knew that it was do or die time out there. I've been the one getting all the publicity this year and knew I had to make a play. I just told the guys up front to get me a little crease and I would take it in."

JUNIOR QUARTERBACK J.R. REVERE

"I think that with the weather and the field, it got to the point that whatever team was able to control the clock and not turn the ball over was going to win the game. When a game gets to be like that you just have to go to your bread and butter and that's why I just started giving the ball to Adrian and trying to move the ball."

(On Montana's defense) "I knew that each game in the playoffs the defenses would be better. I was surprised how quickly they got off blocks and made plays. I just told the guys to keep working out there and we would make plays. You can't get desperate in that situation and you have to believe in your game plan and keep working out there."

(On winning the national title) "I think there are over 100 team in Division I-AA that would kill to be in our shoes right now. I know for me and the team and our fans, we'll never get tired of winning national championships."

JUNIOR LINEBACKER JASON NEESE

(On the play of the defense) "We knew that we had to show up today and play well. We had some times this year that we didn't play well, such as the Furman game, but I thought the defense played well in the playoffs this year."

"I think that during the first game of the playoffs, we really started playing great defense and it was at that point that I thought we could go all the way and win the national title."
