Wilbert Thompson, Chaplain

"The greatest want of the world is the want of men - men who will not be bought or sold; men who in their inmost souls are true and honest; men who do not fear to call sin by its right name; men whose conscience is as true to duty as the needle to the pole; men who will stand for the right though the heavens fall."

We celebrated Ms. Lee R’s 110’s birthday with music with the decades performed by Vivian Lopez. Kudos to our Palm Garden Dietary Department for the delicious food that they prepared for the special event. She also made it on the news.

August Birthdays

In astrology, those born between August 1–22 are Lions of Leo. Leos are natural leaders: intelligent, courageous, and bold. Leos’ social natures also make them excellent friends. Those born between August 23–31 are Virgo’s Virgins. Virgos love paying attention to details—not to be picky, but to help others. Their industrious efficiency makes them smart problem-solvers and fact-finders.

Tiffany’s Thoughts by: Tiffany Caper
Be bold
You are powerful
You are a force
You are made of resilience
No one can take you story from you
Remember who you are
Stand tall in your truth
Put God first at all times
Because His time is the right time.
