To Our Residents and Resident Representatives

As you may be aware, last Wednesday March 10<sup>th</sup>, CMS provided updated guidance regarding indoor visitation in long term care facilities. In the update, and with several guidelines, CMS made indoor visitation possible and effective immediately. The following information is meant to provide education on how to arrange for an indoor visit at Enterprise Health and Rehabilitation Center.

1. Visits can be scheduled through the Care Plan Office and the resident's Care Plan Coordinator. (334-347-9541)
  - a. Angie Bailey – ext. 276
  - b. Dawn Cook – ext. 210
  - c. Jennifer Beranek – ext. 502
2. Visits are scheduled at least 24-hours in advance. Visits will be limited to one (1) hour, with a limit of two (2) individuals per visit, all of which are to be sixteen (16) years or older.
3. Visitation hours are Monday through Friday, between 9am and 6pm.

Please see the "Visitor Do's and Don'ts" accompanying this letter. We look forward to seeing you soon!

Sincerely,
