DIANE BURMYSTER'S QUILT
 My mom Deloris Mahlow made this and I for our 25th Anniversary and every square she cut represented something special in our lives. The middle pictures she had my cousin do in material at Yarn Drop in Wilmar. My mom too was so talented.

DIANE BURMEISTER'S QUILT
Made with some flour sack material.
 Made by our Grandmother Rosie Unneman (my mom Deloris mother). She did all by hand NO fancy expensive machine, her own God given talents. So I'm sure it has to be 40 years or older. It is my treasure, forever.

DIANE BURMEISTER'S QUILT
 Many are different pieces of material making our living room cory. It was the most fought over blanket in our house. This was one of the last quilts made last year. My mom used of her time God gave her wisely, nothing went to waste. What a treasure and keepsake for our family.

Diane Burmeister's Quilt
 My mom, Deloris Mahlow made this quilt for my husband 26 years ago for his graduation gift. Lots of time, talent and patience to cut each in square and sew.

DIANE BURMEISTER'S QUILT
 My mom Deloris Mahlow bought this "Polly" blanket for me and gave it to me a number of years ago. The first I gave her at least 20 years ago. I had a lot of first nice/nephews and a lot to edit new tapes for me. What a wonderful treasure.
 Every thing can tell a story and very memorable. Our first great says "right" but I have them all.
