

BLHCC and Westview Estates
Staff/Family/Resident/Tenant COVID-19 Update
November 16, 2020

ALL STAFF/FAMILIES/RESIDENT ALERT:

We have received notice that another staff member has been confirmed positive with COVID-19. This staff last worked at the facility 11/12/20 and began to exhibit symptoms that day, they left work immediately. They were tested on 11/13/20 and the results are confirmed positive. They are home with symptoms and continuing to self-monitor through the quarantine period. We will be doing contact tracing throughout the day to identify if we have any high risk exposures. Thank you for your responsiveness to the calls for the contact tracing! This really helps us in the fight against this virus. We will send out another update later in the week with the results of our facility wide testing from Monday 11/16/20. Stay safe everyone!!

Sincerely,

Mark Rust Administrator

Kendra Hiles Director of Nursing
