POLICY: USB FLASH/THUMB DRIVES FOR MUSIC LISTENING.

With technological advances Landmark Medical Center is implementing this policy to allow the use of USB FLASH/THUMB Drives.

The only flash/thumb drives that will be acceptable are the sliding type.

For example:

The rotating and/or decorative flash/thumb drive types will not be allowed due to the metal and extra parts that are used.

Some examples but not restricted to:

Please be aware that due to the small size of the flash/thumb drives Landmark Medical Center cannot be responsible for the misplacement of the flash/thumb drive. Landmark staff will label the drives to assist in identifying the proper owners.
