3/28/2020

To our Douglas County Health Center Residents and Family Members:

Douglas County Health Center (Health Center) regrets to inform you that today we received confirmation that two of our residents have tested positive for COVID-19. Our executive staff and county officials have been working tirelessly throughout this process to continue to keep our staff and residents safe. Our team has put extensive measures in place throughout our building including the quarantine of all 10 neighborhoods. Our precautions and processes are changing frequently to ensure our facility is utilizing the most up to date practices and recommendations. Our highest priority is the safety of our residents and staff.

The Health Center continues to follow the recommendations of the CDC and state and local health departments on spread prevention, including, strict handwashing, staff wearing personal protective equipment, staff screening prior to entering the building, essential personnel only permitted and additional precautions.

Should you have any questions, please feel free to contact the Health Center Infection Prevention at 402-444-6375. For general COVID-19 questions, you may call the COVID-19 health department information line at 402-444-3400. For additional information, please visit the CDC's Coronavirus disease at www.cdc.gov.

Sincerely,

DCHC Administration
