Resident/Family/ POA Update re: COVID-19 Status
January 23, 2021

We tested 123 residents yesterday. We have received the results with one positive resident. The resident and her family were notified. The resident is currently in COVID isolation. We also tested staff with rapid antigen tests on Thursday and Friday without any positive results.

We completed our second vaccination clinic January 19th. We administered over 300 vaccines. 188 employees and 129 residents have received at least one dose of the Pfizer Vaccine. Our final clinic to administer the second dose of the vaccine will be on February 9th. Please visit our website <https://citizenscarefrederick.com/> and click the Covid-19 Vaccine Info for addition information on the vaccine.

If you have any questions or want to change a consent or declination you may email covidquestions@citizensnf.com or call 240-772-9296.

We will continue to provide updates to you via telephone blast texts if you have subscribed or through mailings. You may email any questions to covidquestions@citizensnf.com

Your continued support is appreciated. Remember to wear a mask, wash your hands, and practice social distancing. We are in this together and we need to rely on each other for the health and safety of our community.
