

Welcome to Beachwood Post-Acute & Rehab

*Our mission is to wonderfully enrich lives—
one person at a time.*

Under new management, Beachwood Post-Acute & Rehab is proud to join the thriving medical community here in the heart of beautiful Santa Monica. We specialize in providing rehabilitation services onsite to help our residents regain their independence and return to their homes.

Located in Santa Monica next to UCLA Orthopaedic Hospital and walking distance from Providence Saint John's Health Center, Beachwood Post-Acute & Rehab is the region's premier skilled nursing and post-acute rehabilitation center.

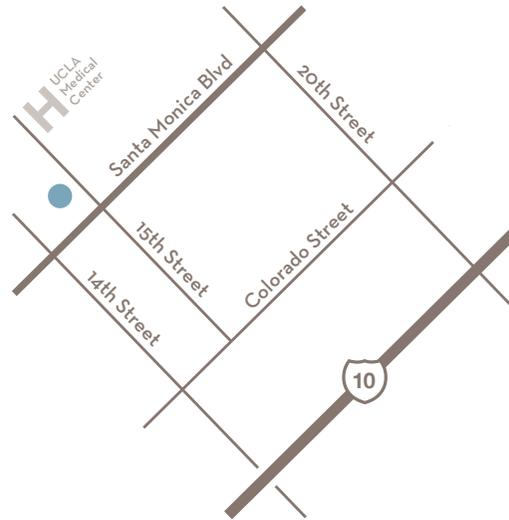

Our team of highly skilled, dedicated, and caring clinicians look forward to continuing the tradition of delivering unsurpassed quality care to everyone who enters our door. We are genuinely interested in you and your health and will do our best to ensure you have everything you need for a quick recovery. We encourage you and your family to be active participants in establishing your rehab goals and plan of care.

Experience Beachwood Post-Acute & Rehab

Beachwood Post-Acute & Rehab is a Medicare-certified skilled nursing and rehabilitation facility that serves the greater Los Angeles region. We pride ourselves on our ability to offer a team of dedicated professionals who are specially trained to manage a full spectrum of healthcare needs. Our experienced healthcare team strives to help our patients reach their maximum potential in a caring and supportive environment.

Our facility is conveniently located in Santa Monica, next to UCLA Orthopaedic Hospital and walking distance from Providence Saint John's Health Center.

Premier Rehabilitation

A stay at Beachwood Post-Acute & Rehab begins with an evaluation by our team of physicians, therapists, nurses, social services, and other support staff. These meetings allow us to design a personalized care plan focused on returning you to your highest level of independence as quickly as possible.

Our therapy gym and rehab suites offer a unique and personalized experience for patients recovering from strokes, neurological impairments, and orthopedic procedures.

Rehabilitation takes place in our fully-equipped therapy gym under the guidance of experienced professional therapists.
