DESIGNATED SHORT-TERM STAY UNIT

Our Designated Short-Term Stay Unit's mission is to act as a bridge to your successful recovery.

Our focus is to ensure your recuperation will be as smooth as possible. This is evident by our devoted nursing staff and rehab therapists, concierge services and discharge planning services. Each of our interdisciplinary care team members is committed to meeting the individual needs and goals of our residents.

Our newly renovated, fully-equipped rehab therapy gym with kitchenette allows us to provide individualized treatment plans that strive to return patients to their prior status and residence, or to achieve and maintain their highest level of functioning.

DEDICATED MEMORY CARE UNIT

Our Medicare certified, renovated dedicated Memory Care Unit helps residents at all stages of Alzheimer's or related dementias live well. Certified in Alzheimer's and dementia care, our team strives to deliver the highest quality therapeutic care every day. Our memory care is designed to meet each resident's unique needs, from our exceptional staffing ratios to our specialized activity calendar. We also offer support groups for families of our memory care residents.

We are always enhancing our center and services to provide the highest quality, most advance care and accommodations to our residents and families.
