

## The right choice to get **READY FOR HOME**

Let our **Center for Short-term Rehabilitation** at Presentation help you feel your strongest after surgery or a hospital stay.

Our goal is to get you home just as soon as you are ready.

*Semi Private Patient Room*

*“A heartfelt thank you to all of the staff members who gave such wonderful care to our uncle during his stay. Thanks to the attentiveness and kindness of the CNAs, the nursing care from the RNs and LPNs, the excellent therapy from PT, OT and ST and the kindness and guidance from social service... All of these people allowed him to have a full recovery and be discharged to his home, where he lives independently. He is happy and healthy once again.”*

## Pre-Bookings Welcome

We encourage patients with scheduled surgeries to pre-book your stay at Presentation. Tour our center, meet our team, and become familiar with all that we offer in recovery care. Pre-bookings allow you to enjoy a stress-free transition after your surgery.

We will work with your surgeon and primary care physician to learn details of your condition and post-operative goals, for a truly personalized approach that gets you ready for home.
