

The right choice to get **READY FOR HOME**

Let our **Center for Short-term Rehabilitation** at Laurel Ridge help you feel your strongest after surgery or a hospital stay.

Our goal is to get you home just as soon as you are ready.

“Thank you to Laurel Ridge for the nursing care of my husband. All of the nurses were professional and exercised so much patience with him. This was his second stay with Laurel Ridge, the first surgery was easy but this time now the road was very bumpy. He was home sick, but the nurses and CNA’s always made sure he was happy so he could rehab better to get home again. Thank you.”
