

**The right choice to get
READY FOR HOME**

Let our Center for Short-term Rehabilitation help you feel your strongest after surgery or a hospital stay.

Our goal is to get you home just as soon as you are ready.

“The thing that strikes me most about Lutheran Home is the direct personal concern that everyone has for you. I have had such a positive stay here. I would recommend to anyone that finds themselves in need of short-term rehab to come here. It’s the only place to go.”
