From the desk of Trisha: Manager's Message

Please welcome the following new residents this month: Patrick Couch 108-3, Shirley Fellersen 302-2, Ellsworth and Margaret Rose 205-3 and Teressa Hoffman 200-1.

Thank you to all of our resident who are staying in their apartments during the pandemic and staying safe. Thank you for your patience with our Dietary team as they figure out the best way to provide your meals to you as home delivery. The first week was our trial week, then we will make changes as needed. Just talk to Trisha, Titus, Dixie or Mary if you have any suggestions.

Our Activity department is cooking up ways we can still enjoy activities while staying socially apart from each other. Please bear with us. We are doing are best to keep you safe. Even though transportation was cancelled, remember, we can still transport you to essential doctor appointments and limited shopping for essential items only. Or our staff is willing to shop for you, just give Dixie a call.

We all have to adapt to stay safe. Let us pray for those who have been affected by the Corona virus (COVID-19) and hope that no one in our community and none of your family members catch it.

Happy spring!
Trisha Raines, Manager
