Managers Message

Being Kind is the greatest gift of the holiday season and all year round.
We have many young staff working in our dining room and other places on campus who may be in their first job ever. Always be patient and kind with our staff as we try to be patient and kind with our residents. If you get frustrated or angry, walk away, think about it, try to put yourself in the other person’s shoes. We can all benefit from kind words.

Please welcome the following new residents this month: Connie Voldman, 310-3, Barbara Raines 304-1, and Phyllis Warrick 113-3.

The dietary department has a great lunch planned for Christmas. It will be served 10am to 2pm with a boxed supper available to pick up after noon.
The menu will come out closer to Christmas.

We will have a Holiday Party for staff and residents on Friday, Dec. 17th from 3:00pm to 4:00 for the happy hour portion, dinner in the dining room for resident 4-6 and then music by the Audities in the dining room from 6-7. Wear your Holiday best!
There are no Resident Council or Town Hall meetings in the month of December. We will resume our meetings in January. This leaves us more time for entertainment and Holiday fun!

Happy Holiday season to all and may we all have a happy and healthy New Year!
Trisha Raines, Community Manager
