

## VOLUNTEER CORNER

This month we would like to feature Marjory Hubbell from Bldg 2. Marjory was raised in Holly, Michigan. She attended the University of MI where she became a RN. During WWII Marjory was a Cadet Nurse and stationed in Ann Arbor, MI. Later, after she had earned enough money, Marjory moved to California and worked in a hospital in Eureka. She returned to MI and met her husband. They had two boys while in Michigan and then moved back to California and had their third son. Marjory has always loved California and enjoys living here.

Marjory has been a volunteer helping Mary in Activities each month hanging up the birthday banners. Thank you for your service!

## From the desk of Trisha: Manager's Message

Please welcome the following new residents this month: Don Davis 304-1, Richard Lawson 201-1 and Judy Jackson 107-2.

Keep referring those friends and neighbors to us for apartment living. We have had 3 residents receive \$ 1,000.00 off their rent for referring a friend who moved in. We'd love to be able to give that out to more residents.

We thank our residents for hanging in there with us during the suspensions of activities, dining room, transportation limits, etc. We look forward to getting our second vaccine On Friday, Feb. 5th, then after a two week period, we should be able to ramp up activities and look at reopening our Dining Room. We will still need to wear our masks as the vaccine is only 95% effective.

We will have a Super Bowl party on Sunday, February 7<sup>th</sup> in the Library. Light refreshments will be available. Go Chiefs!

The staff are cooking up some fun events to enjoy for Valentine's Day and Chinese New Year's. We will get through this and back to more normal times.

Happy February!  
Trisha Raines, Manager

### Transportation during COVID-19:
